The Rotary Club of Santa Monica accepts applications for its Community and Youth Grants program from non-profit organizations that serve the Santa Monica area and address the needs of those less fortunate in our community.

Grants range from \$500 to \$2500. Funds may be requested for capital, equipment, or new program development. Funds are not available for annual operating needs or special events. Other restrictions may apply. For full details, visit our website www.rotaryclubofsantamonica.org.

Non-profit organizations may apply annually for funding. Organizations must provide proof of non-profit 501(c)(3) status and be able to verify that the funds benefit individuals in or the community of Santa Monica.

2012-2013 Grant Application Process and Guidelines

Through its Community and Youth Grants Committee, the Rotary Club of Santa Monica makes grants in the \$500-\$2,500 range to non-profit organizations that serve the Santa Monica community and address the needs of those less fortunate. Grants may be for:

New construction or renovation

Equipment and furnishings

Programs: new or enhanced

We DO NOT fund operating expenses, annual giving campaigns, fund-raising dinners, endowment campaigns, sectarian religious projects, political activities or private/public foundations that fund other non-profits.

Applicants cannot submit simultaneous proposals to both the Santa Monica Rotary Club Foundation and the Community and Youth Grants Committee. Funding will be approved by only one source annually. Organizations may apply annually for awards from the Community and Youth Grant Committee. However, after three years of successive awards, priority will be given to organizations not receiving three successive awards in an effort to support as many worthy organizations as possible.

A separate application process is required for organizations applying to the Santa Monica Rotary Club Foundation. Applications can be obtained through the Rotary office at 310-917-3313. Grantees are expected to recognize the Rotary grant to their organization and to provide the Committee with a report on the use of their grants within one year of receiving the grant. Failure to do so may disqualify an organization from future eligibility.

Any funds that cannot be spent for the intended purpose must be returned to the Rotary Club of Santa Monica.
