This is the last Rotator for 2015. As we busy ourselves with one Christmas celebration after another it is sobering to think of those in our community doing it tough. Rev. Jon Brook and his team of volunteers do an amazing job feeding and helping the homeless all year round at the drop in centre. Our Club will be visiting the centre in 2016.

Christmas can be a very difficult time for those who are grieving the loss of loved ones, especially if the cause of death is suicide. The farmers and their families in Longreach, Charters Tower and other affected areas have suffered years of drought and hardship. The $2,000 our Club has donated to the Christmas Appeal for the Longreach Rural Community will purchase vouchers which will be spent in town with the local butcher, supermarket etc.

Since my year as president is at the half way mark, I have included some of the reports from our last board meeting for your information. I am enjoying my role this time around. Of course it has been made easier by a very experienced board and members like Tony Gardner, Peter Overell and Tony Pritchett who give of their time so consistently to keep the wheel turning.

I would like to take this opportunity to wish you and your family a very happy Christmas and safe 2016. If we don’t have the pleasure of your company next Tuesday at our Christmas party, I look forward to seeing you on January 12th.

Lea Rickwood
President 2015/16

RAFFLE WINNER: Michael Irving
HEADS AND TAILS: Tony Stenton

GUEST SPEAKER:
Marion Jones introduced Rev Jon Brooks from the Surfer’s Paradise Anglican Crisis Care centre – SPACC.  
Jon started with some statistics: as of 2011:  
105,000 + Australians are homeless  
4500 homeless on the Gold Coast  
The two largest causes are:  
Domestic and Family violence and Family Breakdown  
Alcohol; and Ice are contributing more and more  
40% of recipients of community care live below the poverty line.

Rev Jon then spoke of what extra activities SPACC does for Christmas.  
They prepare 140 Christmas hampers with toys for children and presents for Mums and Dads and also a Christmas lunch.  
They also serve approx. 110 Christmas lunches on the Tuesday before Christmas.  
The lunch is served in the church which has now become a multi-purpose room for all their activities as well as a church.  
In 2015 SPACC served 15,600 meals, interviewed 1734 seeking emergency relief and they opened the church on 22 nights that were cold in winter.  
They have some expansion plans:  
Need larger premises  
Greater welfare and Admin space  
Increased medical and allied health service  
Daily beds and overnight shelter  
An emphasis on education and rehab  
Nutrition, interviewing skills, financial planning and budgeting.  
However resources are low and these are goals at the moment.  
In response to a question from Michael Irving Rev Jon said that finding room to expand or a new location was difficult as they had to near where people needed help.

Rev Jon was thanked in the usual manner by Marion Jones  
Chairman Allan reminded members of their duties next week

CLOSE OF MEETING:
President Lea reminded members that next week our Christmas Party is at 6pm, dress smart casual

15 December 2015
Rotary PR Report for the Board Meeting of the 6th December 2015, including summary of the first six months as requested.

Community Noticeboard, Sun Newspaper

In July I forwarded a Notice to be included in this section re our Rotary Meetings including our meeting venue and time along with Liz Hamilton’s phone number for enquiries. Unfortunately this has been included in the Southport Edition only with little response.

Hospitality Room Commonwealth Games 2018

I have secured a room with adjoining kitchen and toilet facilities at a very generous rate in the Southport Community Centre for use as a Hospitality Room for visiting Rotarians during the Commonwealth Games in 2018. It is anticipated that we will be joined by other Gold Coast Clubs in providing drinks and light refreshments along with friendship and advice in a comfortable relaxed environment.

RISGC (Restaurant Industry Support GC) Sponsorship

The Board approved the $660 Category Sponsorship for the RIPPA (Restaurant Industry Peer to Peer Awards) evening. Our Club was represented by Leanda and Liz and report that it was very successful in itself with good exposure for our Club and a very worthwhile PR and Vocational initiative.

GC Hospital

We became Major Donors with listing on their recognition board. We received a certificate of appreciation which is now in a frame at the carousel. Marion, Lea, Liz, Peter O and I visited the GC Hospital Foundation and were taken to E R to view the Vein Finder and portable ECG that they have recently taken delivery of. We were made most welcome and again impressed by the personnel and facilities as well as a demonstration of equipment and explanation of the significant benefits to patient care.

Carousel Donations

I had the Board ratify my comments at a Club Assembly that no recipient of these donations be sent a cheque, but be advised of the Board’s decision to provide the funds, and request a representative attend one of our meetings for presentation of the cheque, when they can also address the club briefly describing what the funds are to be used for and the benefits accrued. The Board also decided that at such a visit those representatives would be expected to pay for their meal.

Mermaid Beach SLSC

The outboard motor we donated was handed over at a Club meeting at their facility on the 8th September when we enjoyed their hospitality.

Pacific SLSC

Their IRB has been ordered but due to supply problems will not be delivered until April 2016. I will arrange formal handover at that time.

Liberty Community Connect

The hoist we donated funds for, is awaiting a new vehicle for it to be attached to. I am maintaining contact, when the unit is complete there will be a formal handover and appropriate on hoist recognition of our contribution.

Animal Welfare League

In appreciation of our donation David Hosket has made available to us, medical supplies and equipment, that have been donated to them, but superfluous to their needs as a Veterinary Clinic. Helen Moore and I have taken three packed car loads to DIK ready for transportation to Bairo Pite with other equipment Helen is sourcing. I have since repacked and labelled those boxes and loaded them into a 40ft container that Burleigh Club is sending to East Timor which is currently en route.

Therapy and Dance

We received great publicity through their Newsletter for our donation towards dance costumes. They invited us to attend their performance at the Gold Coast Convention Centre which was attended by Marion, following which was an interview by Channel Nine that went to air that evening. Further to that Mandy Akehurst attended our meeting and presented us with one of the costumes signed by all members of their dance troupe.

70th Birthday

Was a very successful night providing excellent PR with the attendance of local Politicians and Councillors and wide distribution of the excellent commemorative book facilitated by Michael Irving. We
also organised an interview with Nicole Dior on ABC Morning with President Lea. This was followed by an interview by Channel 9 that went to air on the 5.30 news, thanks to the assistance of Honorary Member Ron Power and son Rod.

**District Cinema Advertising**
The Board approved the donation of $300 for Cinema advertising through summer organised by District PR Chair, Harold Busch.

**Real People of the Gold Coast**
President Lea was featured in this segment in the Gold Coast Bulletin with strong mention of Rotary and what it meant to her.

**Going Forward**

**Carousel**
It seems that we can be reasonably confident that the Carousel will continue in its present location until after the Commonwealth Games. I believe there is opportunity to get a higher profile for our Club and Rotary in general, at and through, the Carousel. Lea has suggested encouraging parents and guardians taking photos of children on the Carousel, to load such photos on our facebook page, with perhaps added incentive of a monthly draw for a prize. I admit to needing education on the PR benefits in this however it is one of the options that I will follow up with the Carousel Committee.

With the new round of grants to come before the Board I will again pursue PR opportunities from these. Tracey has indicated there are real possibilities with the Demons Football Club to which we are donating funds for the supply of footballs.

When handing over the Vein Finder and ECG I was able to get permission for, and take measurements to facilitate the fixing of decals acknowledging the donation of these items by the Rotary Club of Southport, which I will organise.

**CLUB ADMINISTRATION DECEMBER 6, 2015**

This committee is chaired by Marion and includes Andrew M, Tony G, Mervyn P and Steve P.

Our 70th Anniversary celebration on August 25th was a great night with 177 people attending, including Councillors, former members and many District leaders. Our anniversary booklet has been very well received.

We have had some good attendances at special meetings lately- 70 at the Nov 10 Chartering of the Satellite Club with great support from the District personnel and 48 at our Paul Harris recognition evening on Nov 24.

I hope this means that the programmes and admin are working well. I have tried to have a mix of Rotary programmes and interesting community activities.

The program is organized through to January 19:

- **Dec 8** is our last night at the Golf Club. We will hear from Rev Jon Brook from SPACC and bring donations.
- **Dec 15** is our Christmas Party at Hugh and Nancy Smith’s with catering at $25 pp. BYO drinks. Thanks Liz.
- **January 12** we commence for 2016 with Techa Beaumont who will go to Duke Univ in the US to study a masters in Peace Studies and Conflict Resolution
- **January 19** will have Dr Danielle Stanisic speak to us about the work she is doing with malaria at the Glycomics Institute at Griffith. She received a $9000 donation from Rotary clubs for a piece of equipment for her malaria research. She is a member of the Satellite Club and has spoken at RAM (Rotarians Against malaria) meetings
- **January 26** is Australia Day and no meeting will be held at the Golf Club. However, there will be the usual RYLA dinner at Tyalgum Resort.
- **February 9** has Oz Harvest telling us about what they do.
- I am hoping to arrange for Jan McCormick from Broadbeach Alliance to speak with us sometime in the new year.
Andrea at the Southport Golf Club has been very accommodating with us and the food has been good. We are very fortunate to have such a great venue where it works well for us and them. Getting numbers right for the meetings is still difficult.

**ROTARY FOUNDATION**

- The goal was to have 80% of members contribute to the Rotary Foundation. At present we have 83% which is good. Merv continues to follow up on this. Marion had a paragraph in The Rotator 2 weeks ago about supporting the Rotary Foundation, prior to our PHF night.
- Continue to support Polio Plus through $2 donation per member per meeting. Some money has been sent to RI in Parramatta.
- Updates on Polio given as info comes to hand. Marion had a paragraph in The Rotator last week.
- Our PHF recognition night was attended by 48 people and presentations were made to Troy Lawlor, Susan McPaul, Marion, David Randall and Tony Pritchett. Mention was made of the wish to have all members contribute $US 100 to the Rotary Foundation. Graham also spoke of the Paul Harris Society whose members contribute $1000 annually to the Rotary Foundation. We have 4 members in this club in the Paul Harris Society.

**New Membership Report – December 2015**

I am pleased to be able to report a growth in our new membership with Michael Lovell from Ernst Bodycorp being inducted last week and also being selected to assist with my position on the Membership Committee.

Michael brings corporate and many contemporary business skills to our club and I look forward to his assistance with the Business Organisation Membership (BOM).

Michael’s company has committed to introduce some key staff to attend our club and will be able to recommend other business associates.
Thanks for making Ernst Bodycorp welcome and I hope we can attract more business members of this calibre.
We have also welcomed Ian Craig, Liz Hamilton and Tracy Narain in recent times and are delighted with their involvement.

**Rotary Satellite Club of Southport Griffith University**

We are very happy to also boost this year’s membership with approximately 20 new inductees from the Griffith enterprise – an innovative concept which I have been privileged to work on with our tireless and highly respected Graham Jones.
This new Satellite Club has the likelihood of doubling its membership in 2016 and may well be a new Rotary model that can be duplicated and introduced to many other universities worldwide.
The dynamics of the club are exciting with a comprehensive list of projects and fundraising ideas. The members are also enthusiastic about our Carousel venture and I hope Peter Overell will be happy to accept more new helpers for the roster.
Next year, I will continue the BOM program and will put it out to all members and remind them to always be on the lookout for more new members and to ask for a commitment to invite at least one new member each to our club.

I would like to thank everyone so much for all their generous donations to SPACC. These were very much appreciated by Rev Jon and Judy Bennett.

Marion

Southport Rotarians with Staff in the Children's emergency department at GC University Hospital last week. Funding from the Carousel was given for the purchase of an ECG machine and an AccuVein for the children's emergency department which is separate from the adult area. This was facilitated by Emma Wills in the GCUniv Hospital Foundation.

Christa and Stuart from the children's emergency department show Graham Cooper how the AccuVein works. It is a great asset in enabling staff to locate veins in children and others. Both pieces of equipment are much appreciated. A wish list from departments are submitted each year and when the budget is met, the additional items are submitted to the GC Univ Hospital Foundation for consideration by charities such as our Southport Rotary Club. We are major donors, having given $30,000 over the last year. We have previously given a Lightwriter. A great effort that makes such a difference in the lives of so many people.

The 2 Largest Causes:
- Domestic and family violence
- Family breakdown – one of the leading causes of youth homelessness.

Every year, we prepare over 100 Christmas Hampers with TOYS, age specific for children, Mums and Dads. Including a Christmas Lunch.

This year we will be providing 140 hampers

The Surfers dining room
Thoughts for the week.

When you stop believing in Santa Claus is when you start getting clothes for Christmas.

A guy bought his wife a beautiful diamond ring for Christmas. After hearing about this extravagant gift, a friend of his said, "I thought she wanted one of those sporty four-wheel-drive vehicles."
"She did," he replied. "But where was I going to find a fake Jeep?"

As a little girl climbed onto Santa's lap, Santa asked the usual, "And what would you like for Christmas?"
The child stared at him open mouthed and horrified for a minute, then gasped: "Didn't you get my E-mail?"

'A woman went into a post office to buy some stamps for her Christmas cards. What denomination do you want? asked the lady at the counter. 'Good God!' she replied, Has it come to this? I suppose you'd better give me twenty Catholic and twenty Presbyterian.

It was Christmas Eve in a supermarket and a woman was anxiously picking over the last few remaining turkeys in the hope of finding a large one. In desperation she called over a shop assistant and said "Excuse me. Do these turkeys get any bigger?""No" he replied, "They're all dead".

Stage One: You believe in Father Christmas. Stage Two: You don't believe in Father Christmas. Stage Three: You are Father Christmas.
