General Assembly - Meeting No. 2

Members of Amman West were joined by DDG Othman Nashashibi and AG Rukni Sweiss for the first General assembly for the year. The meeting was started with brief speeches from our guests as they both wished the club a good year full of fruitful projects.

P Bashar started with giving condolences to Munqeth Mehyar for the passing of his Mother and then proceeded to introduce the new members of our club:

The first was the joining of Dani Fakhoury , who is graduating from the Amman West Rotaract Club. The second was the joining of Dr. Maha Qubain and the attendance had the pleasure of hearing an introduction from PP Muhsen Mufleh from Canada

Both new members were pinned by the DDG Othman Nashashibi. Then P Bashar proceeded to provide the new members with the Rotary International Introductory kit.

The meeting proceeded to approve different Board decisions and administrative matters for the club. (Minutes of meetings will be shared with club members). Different Projects were discussed and then the club celebrated the wedding anniversary of Dr. Maha Qubain and Dr Halaseh as part of the club tradition.

During the meeting the videos of both the Bangkok and Aqaba Conference were shown.

Rotarians in Alamo, California, USA, partnered with District 2980 (India) last Rotary year to provide computers, software, lab equipment, and hygiene facilities for as many as 5,000 schoolchildren in Tamil Nadu through a Rotary Foundation Global Grant.

"Their joy was our joy," says Vishwas More, a member of the Rotary Club of Alamo. "We were delighted and happy to see the children benefit."

During the 2010-11 Rotary year, Rotarians took part in local and international service projects, launched initiatives to increase membership, and held signature events in their communities. Members of RI's official LinkedIn group recently shared the club accomplishments they were the most proud of.
