Celebrating: Rotary’s Challenge reaches US\$200 million milestone!

Rotary International News -- 17 January 2012

Rotary International has succeeded in meeting the Bill & Melinda Gates Foundation’s US\$200 million match in funding for polio eradication, raising more than \$202.6 million as of 17 January.

“We’ll celebrate this milestone, but it doesn’t mean that we’ll stop raising money or spreading the word about polio eradication,” Rotary Foundation Trustee John F. Germ told Rotary leaders at the International Assembly in San Diego, California, USA. “We can’t stop until our entire world is certified as polio-free.”

The fundraising milestone was reached in response to \$355 million in challenge grants awarded to The Rotary Foundation by the Gates Foundation. All funds have been earmarked to support polio immunization activities in affected countries where the vaccine-preventable disease continues to paralyze children.

“In recognition of Rotary’s great work, and to inspire Rotarians in the future, the [Gates] foundation is committing an additional \$50 million to extend our partnership,” said Jeff Raikes, chief executive officer of the Gates Foundation. “Rotary started the global fight against polio, and continues to set the tone for private fundraising, grassroots engagement, and maintaining polio at the top of the agenda with key policymakers.” Raikes also addressed Rotary leaders at the International Assembly.

Rotary District Awards

Rotary Club Amman West conducted a meeting and training on the Rotary District Awards on January 18, 2012 and the meeting was attended by Deputy District Governor Othman Nashashibi. Initially the meeting started with DDG Othman thanking the attendees of the Jordan and Palestine Conference and issuing certificates of attendance. Then the DDG proceeded to pin Rotary Club of Amman West's NEW member: NADER NASRALLAH. Mr. Nader was introduced to the club through PP Halim Abu Rahmeh. (See special brief on Nader is later in the Gazette) Once all the procedures were completed the floor was given to PP Samir Bdeir to brief all on the Rotary District Awards their importance and how they can be achieved. It was an interesting

Spreading Vocational Service: Who do you inspire?

January is Rotary Awareness Month, the perfect time to spread the word about Rotary's commitment to vocational service. Here's how some Rotary clubs are helping to prepare young people to meet their professional goals:

- The [Strive program in Rochester, Minnesota](#), USA, pairs high school seniors with Rotarians to talk about career goals, college, finances, and other topics. Rotarians meet with their student partners for 50 minutes once a month.
- A [mentoring program](#) developed by the Rotary Club of Hong Kong South, Hong Kong, links Rotaractors with Rotarians in their field of interest who provide counseling for up to three years.
- The Rotary Club of Buffalo, New York, USA, has partnered with a local elementary school for 20 years, bringing guidance, support, and social and academic encouragement to the students through mentoring and community service.
- Rotarians from Altadena, California, USA, have partnered with [Children, Incorporated](#) to launch the Native Youth Entrepreneurship Initiative, which teaches Navajo youth in Coconino County, Arizona, to use entrepreneurship to escape poverty. The Rotarians provide technical support and training sessions with local Navajo business owners. They have helped run similar programs in Armenia, Israel, Lebanon, and Mexico.

Guidelines for promoting integrity in business

Professional integrity has been central to Rotary's identity since Paul Harris started the first Rotary club in 1905. The Rotary Code of Conduct (formerly known as the Declaration of Rotarians in Businesses and Professions) reminds us to exemplify vocational service in our professional lives.

Classification Child Rights/Health Care

I work as the Chief Executive Officer for Save the children Jordan. I manage and fundraise for several programs including, 1- Education in Emergencies Targeting Iraqi and Syrian refugees in Jordan, 2- Child Protection project aiming to promote and protect the wellbeing of the children. 3- Combating Anemia campaign targeting the Reduction of Anemia in Mothers and Children across the Kingdom, approximately 20000 Mothers and Children benefiting from this program through direct medical intervention and dietary awareness campaign. Working in making a difference in the children lives especially in the subject of protection is a real motivation that keeps me working very hard each and every day.

Each child has the right to a safe and healthy life.

As a Rotarian I have held the position of **Honorary secretary of the club.**

The best project I worked and managed was the Mawed Alrahman during Ramadan 2010, the pleasure in managing this project is that you can feel the interaction and the collaboration of our club members to achieve a successful program that targets needy families all over Jordan through distribution of food packages for more than 300 families.
