Vocational Service Update

Connecting profession and community

October is Vocational Service Month

Many Rotarians and Rotaractors take pride in applying their professional expertise to community service. Rotary offers opportunities to:

Serve others by lending your unique skills to a project — perhaps by [joining a Rotarian Action Group](#) or by becoming a member of [The Rotary Foundation Cadre of Technical Advisers](#)

Empower others by participating in a [Vocational Training Team](#)

Inspire others to act with integrity and promote [Rotary's guiding principles](#)

Further, Rotary provides opportunities to enhance your vocational skills. Network with leaders in your profession by joining (or starting) a [Rotary Fellowship](#) or participating in an [online discussion group](#).

Throughout October, Rotarians will be sharing their vocational service experiences on [Rotary Voices](#). Check back periodically for new stories. And read on for ideas for club and district vocational service projects.
