Rotaract President : Zayna Al Hamarneh

DISTRICT GOVERNOR 2013-2014: JAMIL EMIL MOUAWAD monthly message

“Dear Fellow Rotarians

I am honored and privileged to invite you to the first Conference in our new district 2452 which will be held between the 3rd and the 6th of April 2014 in Beirut, capital and largest city of Lebanon. The venue of the conference will be the Phoenicia Hotel, which is located at the heart of Beirut. I'd like to personally welcome each and every one of you to this exclusive event.

Beirut, often called “Paris of the Middle east”, is a thriving hotspot for shopping, socializing and sight-seeing. Bustling streets provide hopping nightlife, while heritage remains and historical monuments give visitors a taste of the city's history. This attractive combination gave this city a great chance to evolve. You will be fascinated by the blend of history, culture and modernity.

We have chosen the water drop to be the logo of our district Conference, as part of our Mega project “securing Clean Water in public schools” which is our target point for the coming years. Thousands of students' lives are at risk by drinking contaminated water and it is impossible for rotary to see a need in the community and not find ways to lend a hand.

One thousand two hundred Lebanese public schools will be free from polluted water in Lebanon, thanks to all rotary Clubs, rotarians, non governmental organizations and rotary partners. This is a moral commitment, we rotarians, promise to take. These schools will be supplied with clean water, to ensure the safety and progress of our youth who are the future of our nation.

The Rotarians in Lebanon are waiting for you to commemorate the first accomplishments of district 2452 in our breathtaking capital Beirut. We will be gathered at this exquisite event, as we continue to engage, grow and Change, remaining always adaptable, motivated and responsive.

“Coming together is a beginning, staying together is progress, and working together is success”... throughout the rotary year 2013-14, staying engaged and being proactive will help us shape the future of rotary.

Welcome my dear fellow Rotarians!

Jamil Mouawad

District Governor 2013-2014

“Packages on wheels” .. Circulates to different regions in Jordan

The annual project of Amman West continued this week as it changed its name from ”Meals on Wheels” to “Packages on wheels” and was joined by the Rotary Club of Amman Petra to expand the number of packages to 360 distributed to 5 locations.

The packages have been distributed in the first two weeks of the Holy month of Ramadan to 5 locations in Jordan from Mukhaia (in the North of Jordan) to Salt and Hiteen Camp (in the central Jordan) to Tafyleh , Al-Shuneh and Ghor Safi (in the South) and extreme South (Aqaba) as follows :

50 boxes - Mukhaiba
50 boxes - Salt
40 boxes - Shouneh
40 boxes - Ghour safi
55 boxes - Tafyleh
75 boxes - Aqaba
50 boxes – Hiteen Camp

This project comes as support to the poor of Jordan, the project was originally started in 1997 and has continued annually with a range of numbers. This Project was made possible by the great efforts of Club members from Amman West and Amman Petra in organizing the packaging and then distributing the packages to the different areas.

Special thanks to PP Bashar Asfour & the Projects Committee, Rotarian Nader Khoury and Rotarian Khaled Zumot organizing the distribution and Muhsen Mufleh for his endless support and hosting us at MY HOTEL and all the Rotarians that have supported us in completing this project on time and efficiently.
