JULY 8, 2014 – Board meeting
Ted chaired his first board meeting
and new board members attended
their first board meeting.

Items Discussed:

- “Rotary Park”, “Rocket Park”, “Swimming Pool Park”, whatever you call it. It was brought to Ted’s attention that fencing with razor wire had been placed on the north lawn of the

pool area and there was some concern that the park would be closed for public use. Board member James Schreiber who also serves on the swimming pool board advised that it was not being considered to close the park. The Board asked President Ted to attend the 7/14/14 Pool Board meeting and advise the board of their discussion.

- Wine and Beer Tasting event advertising expenditures. Rotary has received a matching grant for \$2,650 from the City and County Room Tax Boards. Kerry Stevens showed a poster that had been printed for the event and you should see around town. They are great posters – Great job Kerry! It was discussed to have radio, television and newspaper advertising.
- Steve Rye was voted and approved to serve on the Rotary Foundation Board.
- Tim Ogle attended the board meeting on two issues: First having been asked by Jeff Page to replace him on the Board. Jeff felt he had several personal issues that would take his time away from Rotary. Second, to discuss the Ray Voshall building retro-fit of heating and A/C. Following the Board meeting, Tim Dake hosted the program at

the General meeting. Tim showed photos and spoke on the various Brazilian waterfalls that he had seen while working in Brazil.

JULY 15, 2014

President called the regular meeting to order. Carolyn Strelo-Smith hosted the program: John Dribble, ROP Western Region Athletic Director, spoke on his arrival in the community and his progression to the position of Western Regional Athletic Director. John talked about the numerous campuses that ROP maintains. He also explained the “*Run, Ride, Swim, Survive*” competition which was to be held on 7/31/14. Five teams from regional ROP campuses will participate. It was an informative program explaining the Yerington Silver State Academy. 2014 is also the 30th Anniversary of ROP.

JULY 22, 2014

Past President Kathie conducted the regular meeting in the absence of Ted. During dinner Kathie introduced the 6 students who had attended RYLA this summer. Vince Bolton, Jeffrey Villardes Cory Darrington, Shawn Spurlock, Lawrence Mitchell and Francine Summerville each spoke on what RYLA had meant to them. They all agreed it had been a “Life Changing” experience. The program following dinner was hosted by Lucy Rechel. She

introduced Rodney Jackson from “People First”, who spoke on “INFLUENCE”. Attitude, appearance, demeanor, etc. are a few items that can ‘influence’ how other people perceive you and how it can affect your job and life.

JULY 29, 2014

Members enjoyed a pool party and picnic at the local park. The food was excellent as usual and the weather was comfortable. A good time was had by all. President Ted implemented a new program of recognizing a member as Rotarian of the Month. The first Rotarian selected was James Schreiber. Great choice.

AUGUST 5, 2014

District 5190 Governor Joe Zarchoff and his wife Cheryl made their first official visit. Joe Z met with the Officers and the Board prior to the regular meeting. Candy LoBue received Joe’s ‘Starlight’ award given to the person who steps out of their comfort zone to work with Rotary. Candy was instrumental in our Club receiving grant money from the Room and Tax Boards for advertising the Beer and Wine Tasting event.

The QUIET ROTARIAN award was presented to Kenny Bitler. The ROTARIAN OF THE YEAR for 2013-2014 was awarded to both Judy Price and James Schreiber. All

four members exemplify outstanding Rotarians!

Governor Joe inducted Howard Bittner as a new member to the Yerington Rotary. Joe Z and Howard have a history, as Howard had been a member of the Tahoe-Douglas Club with Joe. We are happy to welcome HOWARD into our Club. Joe went on to tell of his visions for District 5190 for the upcoming year. Stressing new members and retention of existing members. He also explained his theme for the year, “Ride the Rotary Express to Success”. Next year’s district conference will be held at Lake Tahoe.

The Reno Aces Game on August 23, 2014 will honor Polio Plus. It will also be a little different this year in that Rotary will host an area that will explain the goals and projects of the organization. The admission fee is \$20.00, but of that amount, \$7.00 will go to the End Polio fund. The game starts at 7:05 PM.

Note from Editor Kathie:
I apologize for the delay in getting the newsletter out this past month. When you are computer illiterate, formatting, etc can get a little complicated. Hopefully I will do better.
