

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

Vicki Reinsel and Mary Morphis of the Lassen Humane Society noted that while the Humane Society is separate from the Animal Shelter, the two work closely to promote adoption of dogs and cats. Eight years ago Mary Morphis started Pups on Parole, a program that identifies dogs for placement with minimum custody inmates, who then wash, feed, and train the dogs, making the dogs more adoptable. One inmate grew so attached that he adopted the dog upon release and is now a veterinarian.

The club recognized Taylor McFadden as Most Improved Student at Shaffer School. Pictured with Taylor are Lassen District Superintendent Patty Gunderon (left) and Terri Daniels, Shaffer School Principal.
