

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

January Rotary Awareness Month

Last Week

Superior Court Judge Tony Mallery noted that courts are constrained by the governor and controlled by legislation. Judge Mallery said his goal is to be as sure as possible that the decision is right so it isn't appealed. He said he favors community service where appropriate, and individuals doing community service are available to participate in Rotary projects.

Cole McCown received a Rotary scholarship. He plans to attend Lassen College and then transfer to achieve a degree in geology. Congrats, Cole!

Tonya Peddicord received a special Rotary pin for bringing in a new member.
