

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

"A Rotary club gives us an opportunity that no social, political, or specialized business club can do. It is strong on the human side; it stands for the individual, unfetters him, appeals to his originality, brings out his latent powers, and puts him at his best by extending him the full measure of his confidence and appealing to the best that is in him — 'service not self.'"

~Glenn C. Mead
1912-13 RI President

Lisa Bernard said Susanville and the rest of Lassen County will benefit from being among 50 communities selected as a quarterfinalist for America's Best Communities. The community will receive \$50,000 and its proposal will advance to the next level. The goal of the competition is to re-vitalize small towns. Each town had to submit an economic development proposal, and Susanville was the only town in California selected as a quarterfinalist.

Colton Keith described his Eagle Scout Project to provide 10 Little Free Libraries for surrounding communities that have no public library and cannot use Susanville's library. He has plans for construction of the little libraries, selecting woodworkers to participate in construction, and acquiring permits.
