

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

Last Week

Kim Keith spoke last week about outstanding services provided by the Alliance for Workforce Development Youth Program. Individuals 17-21 years old who participate can receive certification and employment. With the best GED program in Lassen County, the Alliance works with businesses to identify skills for hire, and then trains youth to qualify for jobs available. Those in the program work hard for the jobs they obtain. Excellent program from Kim Keith, a Paul Harris Fellow award recipient from our club, who does exceptional work for the young people in our community.
