

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

LAST WEEK

Supervisor Jim Chapman updated club members on the status of a pool for Susanville. He said the financing of a pool has been a private - public issue for decades, and the private sector has never stepped up to contribute to the costs. At last week's City Council meeting, members voted to move forward with the project, and supervisors have also voted to move forward. Both city and county officials are involved because the bulk of people who would use the pool live outside the Susanville city limits.
