

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

LAST WEEK

Katie Anderson of the Lassen Chamber of Commerce discussed plans for beautification of Susanville Main Street as part of America's Best Communities. Plans include landscaping, historical lights, and uniform signage. Susanville has moved forward in the contest and is now the only city in California among the 50 cities selected from the original 288 applicants.

Gary Felt and Oliver Grosz assisted members of the Historical Society with pouring concrete into the post holes at Roop's Fort. When the concrete plugged its hose, workers retrieved wheelbarrows and delivered the concrete the more strenuous way.
