Call to Order

Pete Schroeder pulled double-duty and was our greeter this evening. Karen Romines did a splendid - almost "Cocktail"-like - job as bartender.

From Ann Landers: "One of the secrets of a long and fruitful life is to forgive everybody everything every night before you go to bed."

Club Business

OK, Down to Business!

Jim Cralle was given Beth's first **Energizer Bunny Award** for the great job he did organizing the "It's My Park Day." Twelve and a half people showed up to paint bleachers, paint the outside of the bathroom, and weed a most difficult and rocky patch of ground at Phoenix Park. We then went to a barbecue at Fair Oaks Park.

To help the community get to know who we **Fair Oaks Rotarians** are and what we do, we will be having a PR booth at many of our events this year. We would like one or two club members to man this booth to answer any questions, take donations, hand out brochures, and/or take the names of people who are interested in attending a meeting or joining our ranks.

Bruce Vincent designed a great brochure and also a one-page information sheet about our club especially for this PR booth. Additionally, **Karen Romines** would appreciate any pictures (the more recent

the better) being emailed to her so that she can include them on display boards at the booth. One board will display local community projects, one will display international projects, and one will show Rotarians putting the "fun" in fundraising - or just having fun!

Bob and Shelley sent a sign-up sheet around to sign up for "fun" on Monday nights. You, too, can be a server, greeter, bartender, or fill one of several other positions to help on Mondays, so that our meetings can be enjoyed by ALL!

Most important is that the **Chicken Festival** is coming up! Save the date - September 15 - and plan on signing up to help us set up!!!! Set up is 9:00 AM - 11:00 AM. Or, you can work a shift at the microbrewery tasting tables or beer booth! We will have the PR booth at this event too, and will need someone to man this as well.

*Cluck, cluck!
Join us on Sept 15!*

RYE

Nicolai is back in Denmark safe and sound. He sends his thanks to ALL for an amazing year! **Maddy Wells** leaves for Sardinia next month. Her family will be one of the three hosts for the RYE student coming here from Italy. We need to find two more host families for this student. The host does not need to be a Rotarian. We would like to find families that have student(s) at Bella Vista High School, but this is not an absolute must.

Little Genius

Bill Wagner is Little Genius, and he will be with us through the end of the month. He benevolently reminds us that you can escape fines by making a donation to the Rotary Foundation! The donation must be made online.

Ahem! Donate to the Foundation!

Introduction to ClubRunner!

Club Runner should help to improve communication and make the jobs of the committee chairs and all involved quite a bit easier. For example, Club members will be able to sign up for events on ClubRunner, and the Secretary will be able to log attendance online.

Club members are encouraged to maintain their own information. The site is secure, as only Club members will be able to access their contact information via user name and password. Contact information includes phone numbers, email, and photographs.

Your date of birth will not be posted. You can send email through ClubRunner and have non-club members listed as a "friend" if you'd like. "Friends" can be sent the Club Bulletin or invitations to events, etc. An e-bulletin will be available and the bottom of the page is personalized so that if you have signed up for an event, there will be a reminder.

Thanks to Fred and Steve for getting the Club up and running on this program, and helping the "techie challenged" navigate it!

Wow - I love my ClubRunner!

The Objective of Rotary

The objective of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST The development of acquaintance as an opportunity for service;

SECOND High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

We meet Mondays at 6:45 p.m. at the Fair Oaks Community Clubhouse, 7997 California, Fair Oaks, CA 95628 (at Temescal)
