“Where the Past Meets the Future”

The Folsom Historical Society was incorporated in 1959 as an educational, non-profit organization. Folsom residents founded the Society in 1961 in an effort to prevent the demolition of the assay office for Wells Fargo & Company. Members of the Society preserved the front facade and opened a history museum in 1976. The Folsom History Museum was operated on a volunteer basis from this 1600 square foot building for over fifteen years. In 1991, a 5700 square-foot, two-story addition was constructed. The new addition increased the museum's exhibition space and provided additional storage facilities for its growing collection and expanding programs. In 2003, the Folsom Historical Society assumed operations of the Folsom Pioneer Village (formerly the Interpretive Area) incorporating it into our existing education program.

The Society's Mission

- √ To discover, collect, preserve and make accessible the heritage of Folsom and its surrounding area;
- √ To identify and preserve places of historical interest;
- √ To promote public awareness of Folsom's history;
- √ To educate the public on the importance of Folsom's role in the history of California and the United States and
- √ To maintain a museum of historic interest.

THE FOUR WAY TEST

Of the things we think, say or do:

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4. Will it be BENEFICIAL to all concerned?**
