Prior to the visit

1. If you want to have a trial of the platform, please let your host know and we will be glad to schedule a practice meeting. We especially recommend this if you are a Guest Speaker and will be offering us a presentation, like a powerpoint, pdf, etc.
2. If you prefer to practice on your own, there are two alternatives:
 - a. Visit www.zoom.us, and register / join using the free account option.
 - b. Click on the link provided on your invitation/ email (same link indicated above) and follow the prompts. You will arrive at a screen where a meeting is supposed to be happening, except that you will be by yourself.

The day of your visit

1. Please login 10 minutes prior to the scheduled time. The President and your host will be there to greet you and get all last minutes details in order so that as members login, there will be time for you to meet them.
2. Please note that we like to record our Guest Speaker sessions. If this is not agreeable with you, let us know.
