Cascadia Division

**Details of the next RLI
Course are on the District
5040 events page at
www.Rotary5040.org**

In Rotary District 5040 we believe that the Rotary Leadership Institute is so important that we ask every club to sponsor at least two members of their club to attend a Rotary Leadership Institute course this Rotary year. District 5040 aspires to become one of Rotary's best educational and teaching centres. RLI's Academic Plan is the initial road map for Rotarians to journey to academic excellence. With few exceptions, we expect graduates of our training programs to become leaders in their Rotary club, their district and their vocations.

Rotary Leadership Institute Cascadia Division District 5040

The Rotary Leadership Institute is a grassroots-training program begun in New Jersey by club Rotarians. Its purpose is to help future club leaders prepare for their club and community leadership role through a quality training and educational experience. The RLI has spread to more than 160 districts in numerous countries because local clubs recognize the importance of training future leaders.

The Rotary Leadership Institute is an unofficial affiliate of Rotary International, but not an official program of RI nor under its control.

Established in 1992 to assist in improving the Rotary knowledge and leadership skills of the future leaders of clubs and districts, the Rotary Leadership Institute is a multi-district program already functional in divisions around the world.

What is RLI?

It's a series of leadership courses offered in three full-day parts (Parts I, II, III). Those completing each part are eligible for the next part. The courses are designed to provide Rotary knowledge and to develop leadership skills for voluntary organizations. RLI is fun, interactive, participatory and uses skilled faculty and facilitation techniques to make the experience valuable and enjoyable.

Who are the Faculty?

The faculty members are carefully selected by the Institute for their teaching and facilitation abilities. They are drawn from all areas of the district. Some are Past Governors, Assistant Governors, successful club presidents and Rotarians with professional experience in adult education. Each faculty member attends a full day training program and periodic reorientation programs. See the RLI pages on the district website for profiles of faculty.

Why Should I Attend RLI?

Leadership skills in a voluntary organization are often different from business and professional leadership skills. It is important that club leaders have every opportunity for education because the success or failure of our clubs depends on the quality of their leaders. This is an outstanding opportunity for you to improve your Rotary knowledge. Just the interaction with other Rotarians makes the courses worthwhile.

What is the Cost?

Each course costs \$85 per day, includes breaks, lunch and course materials.

When are RLI Courses?

District 5040 courses are held throughout the year. Check the district website events pages at www.Rotary5040.org for dates and locations.

Where Will Courses be Held?

RLI courses will be held at any location in District 5040 where a minimum of 15 candidates are registered and there is appropriate facilities. Rotarians may also attend RLI courses in other districts with the approval of the host district.

What is Cascadia Division of RLI?

Cascadia Division is the Rotary districts in western Canada and the Pacific Northwest of the USA. There are currently seven districts who are members of the division.
