

**Duluth Rotary Club #25**  
International Service Committee  
Project Information Sheet

Name of originator: Dean Casperson, club 25 member.

The project is in Merida, Mexico

Local Club: Rotarios Merida Nuevas Generaciones which is in District 4200.

Contact: Hector A. Pliego, Email: [hapliego@prodigy.net.mx](mailto:hapliego@prodigy.net.mx)

This project is for the roofing of the “House of Protection”, a residence to up to 65 teen girls. Their mission is to provide housing to girls from the country-side while they attend post-secondary classes. The current roof was badly damaged during a hurricane several years ago. Over the 30 plus years this roof’s service life, it will benefit 1500 to 2000 young women as they pursue their further education. Two years ago our club rewired this same home for girls.

The Club Rotarios Merida Nuevas Generaciones has taken a keen interest in this House of Protection. The Merida Club will oversee all construction activity.

Club 25 has a long relationship of over 15 years with this club, and many of our members have visited the club over the years, as well as their members visiting us here in Duluth.

Funds from Merida	\$1000.00
Funds from Club 25	\$2500.00
Funds from District 5580	\$2500.00

A group from Club 25 and possibly some members from harbortown are traveling to Merida in February and could possibly inspect the project at that time.

Project Site: Downtown Merida, Mexico

City:	Merida
Country	Mexico
Name	House of Protection

Benefits: ` This project will benefit 65 girls each year for decades into the future. The current roof was damaged years ago by hurricane winds.

Benefiting community to maintain structure: The Club Rotarios Merida Nuevas Generaciones has taken a keen interest in this House of Protection as well as the operators of the facility. Rotary Club of Duluth has done other projects with this club as well as with this girls housing facility.

The host club will: The host club will begin, direct and see that the roofing is completed correctly. Members of Club 25 (Duluth) will be making a trip in February of 2011 to inspect.

Dean:

I received this message from the Merida - Nuevas Generaciones Rotary Club. In my response to them, I included you as a recipient. That should answer any questions you may have. So take it to the International Committee and see what we may be able to do. I assume we could get matching district funds for the project. If you have questions, send me your phone numbers and I will get back to you so we can talk about it.

Best of everything. We are having a great month.

Dan Bergeland

Dear Dan

Hi, How are you. I hope you be fine.

We are working now in projects for next Rotarian year. We received the mail that you send to Nico few weeks ago, asking for projects to work together newly.

La casa de Proteccion de la joven, that you know very well, needs since some years ago, protect the ceilings against the rain. It has filtrations of water as you maybe remember, and we think that it could be a good moment to do it before star raining and we are exactly at the limit to present projects to Rotary Foundation.

The budget in dollars is \$ 6,000.00, our club can give 500

Please check with your club if are interesting in work with this, and if it`s possible do it now. The limit date for present projects to RF is the 31 of March. We wait for your answer

How is Marj, Dean and Dan and all the friends of your club? Please send regards to all of them and we are waiting to see you soon. We received the invitation to visit you and we

will try to go if is possible this year. 3 or  
4 members of our club would like to visit you.

Receive a very special fraternal hug for you and all the good friends your club from me  
and all the members of my club

Sincerely

Carlos Traconis Escalona
