

## **What Some Life Leadership Conferees Had To Say About Their Experiences...**

“I had my doubts about this conference before I got here but I learned so much about myself while I was here that I recommend it to everyone who has the opportunity to come. I made friends within my first hour here that will last a lifetime! This Leadership Conference will be a memory I’ll never forget.”

*Vanessa Simpson, Rotary Club of Greenville*

“Going to the Rotary Life Leadership Conference has changed me immensely. We were given a drink of a unique concoction of diversity. An unbelievable experience. A fantastic time of learning.”

*Matt Moose, Rotary Club of Muskegon*

“My life has always been easy and I usually do what I want. To tell the truth, I never wanted to come here. My dad arranged my coming without my knowledge and I was so mad. I did not want to leave my friends and be bored with meetings and speakers. The reality is, I need this camp. It made me realize how to show my talent as a leader and not be afraid. I would never change my coming if I had the chance. This experience of my life is unforgettable.”

*Robin Sinclair, Rotary Club of Cheboygan*

I came to Life Leadership with no expectations and was blessed with amazing new friendships and a new found desire to help humanity. Thank you for changing my outlook on life and making me feel entirely welcome!”

*Abbi Hoiles, Rotary Club of Elk Rapids*

“I came to Life Leadership skeptical; I left Life Leadership inspired to make a difference. I came ignorant; I left with a broader perspective. I came a young man; I left an excited young adult. I came an aspiring leader; I left a person with the passion and skills to make a difference. I came as a civilian. I left as a citizen.”

*Noah David Lein, Rotary Club of Elk Rapids*
