Vocational Training Team

District 4845: Is an International District consisting of Paraguay and the four provinces of Argentina, namely Misiones, Formosa, Chaco, and Corrientes.

Paraguay and part of Argentina are located on top of one the largest sweet water reservoirs in the world, the Acuífero Guaraní

Area of focus: Water - they have very serious problems with contamination. The contribution of the VTT would be based on prevention of the contamination, controls, working with the local government, introduce preventative measures. There exists some expertise but is very limited.

Size of The Team: One Rotarian Team Leader with maximum three Team Members composed of Rotarians and non-Rotarian (will largely dependant on our ability to source qualified prospects). We will apply the same process as we have with GSE to source - select both the Team Leader and Team Members.

Time: Around May 2014, for a 2 to 3 week period. Specific dates and length of visit TBA.

Budget: \$10,000 US. The majority of our budgeted dollars will go for transportation to and from the visited District. District 4845 will take full responsibility for the accommodation of the Team (Lodging, meals, transportation etc) They will be hosted mostly in Rotarians families.

District 4845 will provide a structured itinerary with full contact details, host families, Rotarians in charge etc prior to their arrival.
