## Larry's Libretto ----

Libretto (li-bret'-to) noun, "The script of a play or musical".

With a lifetime history in the music and entertainment business, this seems like a perfect title for my monthly column.

But even more than the personal reference, as our Rotary year unfolds it is indeed an ongoing story – our "play" if you will. As we perform together through each scene, every act is carefully choreographed and scripted to bring the very best in Rotary service to our communities and to the world.

I've had a lot of years to think about what would be important to me if I ever became District Governor. As this year got closer and closer, I began to wonder, "What is the underlying reason we are Rotarians, and why do we keep coming back, week after week, month after month and year after year?"

And it occurred to me, we stay on here because we're having a good time.

Think about it. If we weren't having fun, we would have quit years ago. Every week when I get up on Friday morning, I look forward to starting the day because it's the day of my Rotary Club meeting. My friends are there. I enjoy the

meetings – the camaraderie – the jokes and the laughter – the reports of our club's activities – and most important, the feeling I get knowing that I'm a part of something that is good for the world.

You have to admit, it's a good feeling knowing that we're part of an organization that for over a hundred years has been one of the most powerful forces for good on the planet. In over 200 countries around the world, Rotary is known as part of the solution. For 1.2 million of our brothers and sisters, Rotary plays a role in their lives and their communities that improves the quality of life for those in need.

And that, ladies and gentlemen, is why we are  
Proud to be a Rotarian!

## Blairstown Rotary Club

John Hauck is a native of New Jersey, a graduate of Delbarton School and Kean University. He was raised largely in New Vernon, but moved to the Blairstown area 30 years ago and truly considers these beautiful hills "home".

In recent years, he and a partner have begun acquiring commercial and industrial real estate, starting with the historic Darlington Mills complex in Newton.

He has been a Rotarian for almost 10 years and has held various offices. A 30+ gallon blood and platelet donor at Morristown Medical Center, he recently began volunteering for the National Marrow Donor Program.

John is the proud dad of Daniel John and Emily Grace, a college student and graduate, respectively. His significant other, Brenda Aldi, has become involved with Rotary as well, and she has become a familiar face at various functions and assisted with the Blairstown Club's 50/50 and Youth Exchange communications. John is fond of saying, "Rotary has truly changed my life".

## Membership Development Seminar Available

Last month's article on Membership Development focused on the importance of having a Membership Development Plan. A plan needs to be specific, have goals, targets and a plan of action.

A personal Membership Development Seminar is now available for your Club that will provide you with strategies for growing your membership. The session will be 2 hours long and can be scheduled at a time convenient for your Club members. A minimum of 7 members need to participate with a maximum of 15. The seminar will be customized to address the unique circumstances in you Club and community.

If you are a small club and don't think you can get 7 people to attend, partner with another club and do a joint meeting.

For additional information or to schedule a Club Membership Development seminar, contact Barry Kroll at [HYPERLINK "mailto:barrykroll@aol.com"](mailto:barrykroll@aol.com) barrykroll@aol.com or 973-476-2772.

## Mary Ann's Marquee

seeko@embarqmail.com

Here we go again – another Rotary year full of surprises and opportunities to do what we do best – serve others. Don't know if we can keep up with our new D.G. Larry who is on the move throughout the district with the support of the Morris Plains club members, but we'll try.

Whippany – You had a nice synopsis in your newsletter of D.G. Larry's talk to your club. Somebody took good notes. Oh, how did your ducks do? Did their splashes raise a little money for your coffers?

Wallkill Valley – How was your Steak and Chicken Barbecue? Did you manage to find corn which is scarce in your hills because of the late growing season?

Rockaway – Four (4) new members proposed???? Impressive! What a way to start the Rotary year. What a nice turn out for your 5K run. You had 176 runners. Next you will participate in the annual National Night Out Drug and Crime Prevention event in August with the Rockaway Police Department

Parsippany-Troy Hills – Cute comment, PDG Maurie! "Passing the gavel from the left hand to the right hand." My guess is there are many presidents doing the same thing, i.e. serving one term after another.

Pequanock Valley – Wasn't that lovely that your honorary member and past president Bill Van Riper was asked to lead the salute at the Orange Blossom Opry in Florida. They even sang Happy Birthday to

him. Hope all you fishermen will be able to eat at the picnic following your August fishing trip at Belmar. (Who's bringing the dramamine?)

Nutley and Belleville – How are your joint meetings working out? Good idea for the summer especially when attendance dwindles. Do your presidents fight for the gavel?

Newton – For 46 years you have supported The Newton Medical Center. Your golf outing must have been successful because you raised \$17,911 which you gave to them. I heard your annual Garden Party was also wonderful, as usual. Were all your 'wurst' gone after Newton Day?

Morristown – The \$1000 donation to the U.N. "Nothing by Nets" program will protect many children and families in the sub-Sahara, Africa. Your assistance in the 'Stamp out Hunger' food drive was appreciated. With the help of the Letter Carriers, volunteers, and your club, 15,500 pounds of food was collected.. We offer condolences for the loss of your member Dave Bagish who will be missed.

Mendham – How wonderful that last year's host family, the Bierys, decided to become members of your club. Your food booth and the adorable 'dog bar with water and biscuits' was a cute addition at the Brookside parade and picnic.

Madison – Was your pig roast well attended? Are you still resting after being the DG's club last year or you revving up the old Rotary engine for another year?

Glen Ridge – What a nice donation to support the Public Garden at Oakeside Cultural Center in Bloomfield.

Dover – So what was your new President Bill's Rotary chant ala the World Soccer Cup? Did his soccer

hat and horn inspire him? His team won.

Denville Sunrise – You always seem to have a good turnout at your blood drives. Did I miss your duck race?

Denville – Whew! This year's Denville Street Fair is over. Now on to other projects.

Caldwell – The Camp Merry Heart children love the Moon Walk game that you sponsor. Have you decided to change one meeting and possibly add one evening meeting? Oft times change is good.

Branchville – What nice looking group of appreciative scholarship winners attended your meeting to learn about Rotary.

Boonton – Looks like you have a busy July with your one day sale, your Italian Ice sale at the Morris County Fair and your children's book distribution. You bought iPads for the special needs students at the School Street School. What a worthy cause.

Blairstown – You are getting your share of fresh air this year. First your huge celebration at Footbridge Park followed by fireworks and then a picnic meeting in Sycamore Park. CO2 begone - Oxygen welcome!

Bernardsville – What a great idea, Tom, for the use of your extra track meet shirts – sending them to Guatemala to church volunteers building homes and to Katie Meylers girls in Liberia.

"All right! Did I confuse you this month reversing the order of the club tidbits? I just wanted to see if you were paying attention. Diversify! Change! Shake it up! Get those Rotary minds rotating in different directions and away we go into this new Rotary year. See you next month."

Do you remember when we as kids jumped around the car untethered? No more! Now you not only need a car seat, but one that is appropriate for the size of the child, not overly used, and installed correctly.

The Parsippany Club and one of its members John Johnson, and the Parsippany EMS sponsored a car seat check. The comprehensive check, administered by Certified Child Passenger Technicians, took on average 30 – 40 minutes.

One family came in with 5 children, one of which was a special needs child. All their car seats failed. Through this program all were replaced and the special needs child got a seat specifically suited to him...all for free.

We spoke to his mother about Camp Merry Heart of which she had never heard and offered a scholarship (we give one every year). Unfortunately he could not qualify

This program not only filled an important need, but gave the club great community wide recognition.
