"For every thousand hacking at the leaves of evil, one is hacking at the root."
Henry David Thoreau

The Rotary Foundation is hacking at the roots of evil. Rotary World Peace Fellows are bringing

reconciliation to communities, Rotary literacy projects for girls and women change the lives of every member of the family and Rotary projects that deliver potable water remove the evil spread by tainted water. Your support for our Foundation means **you** will be hacking at the roots of evil.

Chris Offer, Allen Smith, and Richard Clarke, *Regional Rotary Foundation Coordinators*
