*"T here is a great temptation when choosing people for a specific assignment to choose someone who has previously done the job . . .but it seems to me that one of the responsibilities of leadership is to seek out and develop the latent talent of those members who, for various reasons, have never had a real chance to demonstrate their ability."*

RI President Clem Renouf - The Rotarian April 1979

Who do you select to serve on your club or district Foundation committee? Are there talented Rotarians in your club or district who have not been asked to serve on the Foundation team? What skills are you missing by not seeking out new committee members?

Allen Smith, Richard Clarke & Chris Offer - Regional Rotary Foundation Coordinators

**HELP HAITI: ROTARY FOUNDATION (CANADA) FUND** - Until February 12th, Canadians may make a tax-deductible donation to The Rotary Foundation (Canada) designated to help with earthquake recovery projects in Haiti. These restricted contributions will be used for Rotary Foundation projects in Haiti. The Canadian International Development Agency (CIDA) will make a matching contribution to the government's Haiti Earthquake Relief Fund for all donations collected by February 12th. CIDA will then accept grant proposals from charities and use this new fund to support projects, such as Rotary's, that help meet the many critical needs of the Haitian people. The easy way to contribute is on the secure donation page at [www.](http://www.TRFCanada.org)

**THE HAITI EARTHQUAKE RELIEF FUND** The Rotary Foundation has established the Haiti Earthquake Relief Fund, a donor advised fund primarily for U.S. Rotarians who want to donate toward recovery efforts. The Fund, a donor advised fund within The Rotary Foundation of Rotary International, has been established to streamline the flow of contributions from Rotarians looking to assist victims of the earthquake in Haiti. **POLIO CHALLENGE** - The Polio Challenge has hit \$107 million - thank you for your generosity and work in it reaching this remarkable level [read more](#)

**INTERNATIONAL ASSEMBLY SPEECHES** - It is difficult to pick the best of many great speeches at the International Assembly last month in San Diego. Here are three you should read. "Are we managers or leaders" by RIPE Ray Klinginsmith, "PR Is Good Works Publicly Recognized" by PDG Jennifer Jones and Trustee Chair Elect Carl-Wilhelm Stenhammar on "Rotary and Peace". **3rd ANNUAL WORLD WATER SUMMIT** - This is an exciting day-long conference providing in-depth and current views of water and sanitation challenges and solutions. Rotarians will provide an opportunity to share knowledge and get advice. On Saturday, June 19, 2010, immediately prior to the Rotary International Convention, Wasrag and the Rotary International Water Resource Group are holding the 3rd annual Water Summit. They promise you an exciting,

**CLUB FOUNDATION GOALS** Club goal-setting is vital to the [Every Rotarian, Every Year](#) effort in building sustained support for The Rotary Foundation's Annual Programs Fund, the primary source of funding for the Foundation's humanitarian and educational programs. Setting a goal that is specific, manageable, and achievable will instill your club's members with motivation and commitment, increasing the likelihood the goal will be met. [read more](#)

**SOCIAL MEDIA** This year, the mainstream news media embraced social media, and Rotary clubs and districts demonstrated that they're comfortable using it, that it can provide great marketing, and that it can serve as an effective communication tool for reaching out to potential new members. Are you using one or more social media to promote The Rotary Foundation?

**THE GSE TEAM FACTOR** - Believe it when people say that travel is the best school of life. Aside from being an adventure, visiting another country shows you a different way of life and expands your world view. A GSE Team from Ontario, D7070 had an experience of a life time in Germany. Two of the team members will be charter members of the Toronto Twilight Club that will receive its Charter on Feb 18th. [read more](#)

**FOUNDATION TRUSTEE CHAIR GLENN ESTESS** - On 23 February, Rotary will celebrate its 105th anniversary. On that day, we also mark World Understanding and Peace Day, for in Rotary, part of our mission is working for peace -- not through military might, but through our humanitarian work. Rotarians understand very well that the causes of war and strife are often the same: poverty, inequality, deprivation, and a lack of hope.
