*"There is a great temptation when choosing people for a specific assignment to choose someone who has previously done the job . . . but it seems to me that one of the responsibilities of leadership is to seek out and develop the latent talent of those members who, for various reasons, have never had a real chance to demonstrate their ability."*

*Clem Renouf, RI President 1978-79 The Rotarian April 1979*

The start of a new Rotary year is an ideal time to invite Rotarians to serve who have not been asked to assist as a committee member or participate in a project. The Rotary Foundation offers many opportunities for Rotarians to take on fundraising tasks or an active role in a Foundation supported service project locally or internationally. We encourage all clubs and districts to give every Rotarian an opportunity to play an effective part in The Rotary Foundation.

Have a fantastic Canada Day July 1st

Have a marvellous Independence Day July 4th

[Thank You from RRFC Richard Clarke](#) - It has been my privilege and pleasure to serve Rotary these past three years as the RRFC for the eastern portion of Zone 24(22). I complete my term with a deep regard for the dedication and support that our members, clubs and districts give to our Foundation. Your support through difficult financial times has been unwavering - thank you!

To all the members of the Zone team, past and present, my RRFC colleagues in Zone 24 and Zone 32 and our ever helpful RI staff a huge vote of thanks. And, a special vote of thanks to RRFC Chris Offer for producing this newsletter the past 2 years. Together We are Making a Difference! I know that my successor RRFC Bryn Styles will enjoy the same fabulous support.

[International Travel for Matching Grants](#) - The Foundation Trustees recently permitted international travel as an eligible expense for Rotarian volunteers who are qualified to directly implement a Matching Grant project starting 1 July 2010. Travel should be included in the budget and financing of the Matching Grant application and will have to be booked by the clubs and districts (not through RI Travel Service (RITS)). Grant application forms are being updated. For information contact [Robbyn Tarpy](#), Program Officer for Matching Grants.

[PRIVP & Trustee Lou Piconi Keynote Speaker at Institute](#) - Louis Piconi will be the trustee representative at the Zone 24-32 Institute in London, ON in November 2010. A Rotarian since 1976, Lou has served Rotary as DG, on many international committees, and in numerous leadership positions for Rotary and The Rotary Foundation. Rotary has recognized him with the "Service Above Self" award. The Rotary Foundation has recognized Lou with the Citation for Meritorious Service, the Distinguished Service Award, and the International Service Award for a Polio Free World. Lou's Rotary Club named him "Rotarian of

[Top 15 things Rotarians should know about global grants for vocational training](#) - Under the Future Vision Plan, global grants may be used to fund vocational training teams in one or more of the six areas of focus. These ideas are for Future Vision pilot districts and clubs considering vocational teams [read more](#)

[Matching Grant Website Update](#) - [www.MatchingGrants.org](http://www.MatchingGrants.org) has been updated to accomodate future vision districts. Grants will be listed separately for pilot and non pilot districts. This is an un-official website that works closely with TRF and RI technology staff. This is an excellent site for all clubs to look for projects or to post a project looking for partners or funding [read more](#)

[New and Improved District Training manual](#) - A full-colour, more streamlined edition of the [District Training Manual](#) is now available. Much of the content in the manual was moved to the [For trainers](#) section of [www.rotary.org](http://www.rotary.org). Trainers can still find the role and responsibilities of the district trainer and district training committee in the manual, as well as a comprehensive list of resources, a planning calendar, and a Train the Trainer session. General training information about [planning a meeting](#), [training Rotarians](#), [Train the Trainer](#) seminars, [web conferencing](#), and the role of the [club trainer](#) are at [www.rotary.org/trainers](http://www.rotary.org/trainers).
