Happy Birthday Rotary in
Canada & RC of Winnipeg
100 years of Service
First meeting
November 3, 1910

"When you take the time to actually listen, with humility, to what people have to say, it's amazing what you can learn. Especially if the people who are doing the talking also happen to be children."

— Greg Mortenson - Stones into Schools

The first step in all successful local or international projects is to ask "what do you want" and then listen to the answer. Service is not about what we want to give - it is about what is needed and wanted.
Chris Offer, Allen Smith and Bryn Styles - Rotary Regional Foundation Coordinators

New Manual of Procedure - The 2010 Manual of Procedure is now available to [download](#). This new version reflects the changes made at the 2010 Council on Legislation and the RI Board. The Manual of Procedure is published every three years. A free copy is sent to each Rotary club and RI officer. The manual is a compilation of statements of policies and procedures. It includes the RI constitutional documents and legal documents such as the recommended club bylaws and Bylaws of The Rotary Foundation. Club presidents and secretaries should plan to review your current club constitution and bylaws and make changes in line with the new recommended Club Constitution and Bylaws in the 2010 MOP. To order additional copies click [here](#).

Water & Sanitation - We are heading into November, which is Foundation Month in the Rotary World. Water & Sanitation is one of the six areas of focus of our Foundation. Access to safe water and adequate sanitation is critical to building healthy communities. Through the **Start with Water** program, Wasrag is in alignment with The Rotary Foundation and its Future Vision Program. **Start with Water** also helps realize the [Rotary International Strategic Plan](#) - it supports and strengthens clubs in the effectiveness of their work, helps to increase and focus their service work, and through our partnerships, enhances Rotary's public image. Ray's Reunion & Project Fair - Reconnect with Rotary and learn about international service in Africa with RIP Ray Klingensmith at three different reunions:

- 3 February: Rotary scholars and fellows who attended the U of Cape Town,
- 4 February: Rotary scholars, fellows, and GSE teams to or from Africa
- 5 February: Forum for international service projects in Africa
- 4-5 February: Rotary Projects Expo for projects all across Africa. Watch President Ray's [video message](#) about the event and join him in Cape Town, where he was a Rotary scholar in 1961! Visit Ray's [reunion website](#) or download a [brochure](#) and [registration form](#).

Rotary Canada - Canadian Rotarians have united behind their centennial project to build classrooms for Afghan students. Read this and other stories from the October issue of Rotary Canada magazine. [English](#) [Français](#)

2 for 1 PHF Points - Foundation General Manager John Osterlund has some good news to share with us about the preliminary results from our World Polio Day on-line giving promotion. 2-for-1 Paul Harris recognition points were offered for individual on-line donations for Polio eradication. At least 1600 Rotarians registered on the Member Access Portal (MAP) for the first time. Rotarians in more than 60 countries contributed on-line. The average gift was over US\$300. Total Polio contributions received on-line in one week were over US\$2.8 million. The TRF Canada online donation website received 4 times the number of visits to the site during the 2 for 1 offer and more than 800 donations were made on the TRF Canada site.

What are Foundation Recognition Points (FRPs)? FRPs are contribution credits that can be transferred from one Rotary account to another. They are used to increase the Recognition Amount of the account holder. How do you earn FRPs, how do you use them, how can you transfer FRPs, how can you use FRPs to

increase donations to The Rotary Foundation? [read more](#)

Hot Topics in Future Vision - As we gather feedback from Rotarians about their experience with Future Vision, we are finding that the most challenging areas related to global grants are the areas of focus and the concept of sustainability. Here are a few helpful resources:

- [Areas of focus handouts](#)
- [Areas of focus goal chart](#)
- [Sustainability and Rotary Foundation Global Grants](#)
- [Developing eligible projects and activities within the areas of focus](#)
- [Project and activity sustainability e-learning module](#)

Bequest Society Update - As of 30 September 2010, there were 7,470 Bequest Society commitments with an expected value of US\$325.7 million. These commitments represent a significant percentage of the expectancies to the Permanent Fund and an increase of 113 new bequests valued at more than US\$6.9 million since May. Will you include The Rotary Foundation in your will or other estate plan to forever be a part of Rotary's legacy of doing good in the world? www.rotary.org/bequest

Global Alumni Award - PDG Irwin Stewart is the Zone 24 nominee for the Global Alumni Service to Humanity Award. Dr. Stewart has had an exemplary career both as a physician and as a Rotarian. An otolaryngologist, Dr. Stewart has participated in numerous volunteer trips to remote areas of the world to offer his expertise as both an active surgeon and as a trainer to medical personnel. Irwin served as DG of D5040 in 1993-94. He led one of the first GSE teams to China, an all medical team. [Irwin Stewart](#) has received many Rotary and professional awards. In 2001 he was made a Member of the Order of Canada, Canada's highest civilian award. We congratulate Irwin Stewart on his dedication and to living his life according to the Rotary Motto of "Service Above Self". The selection of the Global Alumni winner will be made by the trustees in early 2011. [About the Award](#) and [Past Winners](#)
