ROTARY SUCCESS FORUM - Zone 24 - West is hosting two regional seminars, [Edmonton Oct. 15-16](#) and [Vancouver Oct 29-30](#). These two unique forums bring together Rotary Foundation and Rotary International programs. The Zone 24 - West RRFC and Rotary Coordinator have teamed with the District Governors to present an innovative approach to Rotary education. Who should attend? All district leaders, district committee members, the district Foundation team, club leaders and all Rotarians committed to building **bigger, better and bolder** Rotary clubs. Register and information at: www.RotaryEvents.ca

FOUNDATION SPEAKERS HIGHLIGHT OF ZONE INSTITUTE - Two of the keynote speaker that will be part of an incredible line up of speakers at the Zone 24-32 Institute are polio survivor Ramesh Ferris from Whitehorse, Yukon who hand cycled across Canada and Rotary Foundation Peace Fellow William Payne. These two speakers will highlight a great program for the first joint Zone 24-32 institute. [visit institute website](#)

PAUL HARRIS SOCIETY - is a district managed program to recognize Rotarians that donate \$1000 or more each year to our Foundation. Districts with an active program are reporting annual growth of 10% or more in donations to The Rotary Foundation. SUBMIT THOSE MATCHING AND GLOBAL GRANTS - The Matching Grant budget is US\$21.5 million from the World Fund to match projects. Of that, only \$4 million has been committed to date and so we are not anticipating that TRF will run out of funds this year!

WORLD POLIO DAY - October 24, 2010 is World Polio Day. How will your district and club recognize World Polio Day? World Polio Day is an ideal time for your club or district to raise awareness about polio and garner support for eradication efforts. To share Rotary's commitment to a [polio-free world](#) with local media, use the [PolioPlus Headliner Kit](#), which contains a sample opinion piece, letter to the editor, and several press releases, all of which can be customized to reflect your involvement in the PolioPlus program.

NOVEMBER IS FOUNDATION MONTH - November is just around the corner. A good time to remind Rotary Clubs to make sure that they include the Foundation in their weekly programs in November. There is still time to organize a district event. November is a great time to hold a district Foundation Seminar. Many districts will hold their annual Foundation Dinner in November. Members of the Zone Foundation team are available as speakers for Foundation events - [just ask](#). Why not project the End Polio logo on an [iconic building](#) in your community?
