

SPEAKERS - The Rotary Foundation

Several Rotarians in the District have offered to make presentations to clubs on various topics relevant to The Rotary Foundation. These presentations are timed to be a regular club program of about 20 -25 minutes, although this can be modified. For more information about any of the topics, please contact the speaker directly.

If you have any difficulty in arranging for a presentation, please contact me and I will help you.

Phillip Dean
Rotary Foundation Resource Bureau Chair
