JUNE GOVERNOR'S NOTES

How does your club promote fellowship among its members?

June is Rotary Fellowship Month. Fellowship, is the glue that holds Rotary together. If you look up Fellowship in the dictionary it has about five or six different definitions, but the first three that were listed when I looked it up pretty much sum up Rotary.

feel•low•ship

1. a. The condition of sharing similar interests, ideals, or experiences
 - b. There companionship of individuals in a congenial atmosphere and on equal terms.
2. A close association of friends or equals sharing similar interests.
3. Friendship; comradeship.

When considering all of the aspects of Rotary, Community Service, Business Networking etc., none of those would be sustained for a very long time if you were not doing it with friends, people you care about and people that have similar interests. It is our commonalities that keep us together.

The Rotary Fellowships are also another part of Rotary that is not very well known. Rotary Fellowships are autonomous, International groups of Rotarians, Rotarian

- Share a common Interest in worthwhile recreational activities: sports, hobbies, and more.
- Further their vocational development through acquaintance with others of the same profession
 - Make new friends around the world
 - Explore new opportunities for service
 - Have fun and enhance their Rotary experience

There are many different types of Fellowships from professional, like Doctors and Lawyers, and hobbies, like motorcycles, wine and sports, such as golf and scuba diving. Many of these Fellowships have their own meetings at the Rotary International Conference and booths where you can learn more about each of them. You can also go to this link to learn more about them. I belong to the Rotarians in Social Media fellowship. It's a very rewarding and worthwhile opportunity to learn, and share common interests with other Rotary members.

So - when you are out and about and considering social activities - don't forget your fellow Rotarians, community service is not the only thing you share in common.

2012-2013 DG Melissa

Open Letter to Club Presidents

Dear Rotary Club President,

We are pleased to announce plans for the Annual Chestertown Golf Tournament to be held Saturday, August 17, 2013 with a new, highlighted feature, the Chestertown District 7190 Rotary Cup Challenge.

Annually, one of the premier golf tournaments in the Northeast is the Chestertown Rotary Golf Tournament held at Cronin's Golf Resort in Warrensburg, NY. For several years now, local charities within the Chestertown area have benefitted from the monies raised through

this golf tournament. As we plan for our summer 2013 tournament, we are adding a new category within the tournament which district Rotary Clubs should find particularly appealing. This new feature, the Chestertown District 7190 Rotary Cup Challenge will be awarded to the outstanding Rotarian Team within District 7190. The winning Rotarian team club will receive an award of \$100 from the Chestertown Rotary. This money shall be used to support service projects identified by the winning club. A trophy with the engraved name of the winning Rotary Club will be retained by the club until the following year. In addition, the winning club will be invited back the following year and will be charged one half of the established tournament fee for that year. Because we have limited space for this category within the Tournament, the first eight teams, open to men and women, that respond as Rotarian District 7190 clubs will be entered into the contest. Only one official team can represent your club for the Rotary Cup Challenge but, individuals and foursomes wishing to be a part of the tournament are invited to participate in the general category.

Application forms and entry fees to participate in the Rotary Challenge must be received by Chestertown Rotary by August 1, 2013. The team entry fee is \$280.00. The cost for individuals and foursomes wishing to play in the general tournament is \$70/player prior to August, 7th and \$75.00 after August 7th. This will be a four person scramble tournament with starting tee time at 9am with Registration beginning at 8am.

This should prove to be a great golf outing with prizes, lunch, a fun filled atmosphere and a wonderful opportunity to meet other Rotarians throughout the district.

For further information regarding the Rotary District 7190 Golf Challenge contact Ed Griesmer at 518-792-7862.

Sincerely,
John Coberg
President Chestertown Rotary Club

Urgent Letter to Club Presidents

Dear Rotary Club Presidents,

Time is running out. Please help us save 30 children with life threatening congenital heart defects.

With the help of clubs like yours, Gift of Life has been very busy over the past year. We operated on 3 children at Albany Medical Center and with the help of 6 district clubs we funded two training missions to operate on children with congenital heart defects. The first one was in February to Jamaica where we operated on 11 children. Beginning in July we will have the first of three training missions to El Salvador. In each of the three training missions 10 children with congenital heart defects will be operated on. These children will go on to lead happy, healthy and productive lives.

We are inviting your club to be a part of a very exciting Global Grant Vocational Training Team (VTT) that will occur in 2014. We are assembling

a local cardiac team from Albany Medical Center to go Manila, Philippines to operate on 10 children with congenital heart defects. During the operations the medical team will be training local medical staff in the skills necessary to perform these operations in the future. We are looking to make this a district wide Global Grant by including many clubs in the district. We have support from the district in the form of matching grant funds for the 2013-2014 Rotary year. We also hope to gain some media exposure for our Rotary District 7190 and the clubs that participate. Even though Gift of Life will be facilitating and organizing this Global Grant VTT, it will be labeled as a Rotary District 7190 Vocational Training Team.

We are asking each participating club to contribute \$1,000. Each club's donation will be matched by the Rotary Foundation with an additional \$500. Together, we will be requesting \$30,000 of District Designated Funds (DDF). Each dollar of DDF funds awarded to this grant by the District Foundation Committee will be matched at 100% by the Rotary Foundation. We do not need to collect your contribution now however we will need your contribution later this summer. We do need to know who will be participating in this global initiative. Please present this opportunity to your club and let us know if you can contribute. **The deadline for the Global Grant Vocational Training Team application to be submitted to the district Foundation Committee is July 1, so please let us quickly as it takes some time to prepare the paperwork.**

I understand that for some clubs \$1,000 is a big portion of your annual budget. If you would like to participate, but at a reduced amount please let me know. Please contact me with any questions at 518 373 7314 or my email Thomas.Burdick@AXA-Advisors.com

Yours in Rotary Service,

**Tom Burdick
President / Gift of Life District 7190**

ShelterBox Update Oklahoma Tornado

As you may be aware, an area south of Oklahoma City was struck by a devastating 2 mile-wide tornado yesterday that has left 51 dead and many more missing. It is unclear how many homes were destroyed but the path of the tornado hit residential areas and schools.

A ShelterBox Response team is en route to Oklahoma. ShelterBox is in communication with Emergency Operations Centers in the affected regions, has reached out to Rotary District Governors and are closely monitoring the need for our equipment. Yesterday, we spoke to Ambassador, David Shirley who was only minutes away from the path of the storm and is thankfully ok.

We will send you updates as and when we can. Read more here.

Hope restored in Pakistan

ShelterBox is distributing emergency shelter to the most vulnerable families affected by a 7.8-magnitude earthquake that hit the region of Mashkail last month.

Barkat, 80 years old, and his wife were home in the village of Shand in Pakistan when the earthquake hit. They lost everything, their belongings and their house. They were forced to live in the open air as Barkat did not have the energy to build a shelter. They were exposed to the elements as well as insects. They were about to lose hope when ShelterBox partner, Balochistan Rural Support Programme, found them and gave them a ShelterBox disaster relief tent. Follow the link for the whole story.

Safety for Khaled and his family in Lebanon

Khaled, his wife and three children fled Syria's Homs five months ago when their home was hit by a rocket. He and his family were inside the building at the time. They survived and escaped across the border but Khaled says the children still have nightmares. They are now living in a ShelterBox tent in Akroum, just two kilometers from the border. Read more here.

COHOES ROTARY JOINED IN GLOBAL YOUTH SERVICE DAY EFFORTS

On May 3, 2013, in observance of Global Youth Service Day, members of The Rotary Club of Cohoes joined with students and faculty from the Cohoes City School District and other community volunteers to clean up Cayuga Plaza. The plaza has been adopted by the Cohoes Rotary as one of its ongoing community service projects. It is located between the Cohoes Community Center and Cayuga Plaza apartments, and the Cohoes Senior Center and Dr. Jay McDonald Towers apartments. Volunteers raked leaves, trimmed trees, weeded, and swept in an ongoing effort to maintain the beauty of the area. For further information about the Rotary Club of Cohoes and its community activities go to: www.cohoesrotary.org.

Global Youth Service Day celebrates and mobilizes the millions of young people who improve their communities each day of the year through service.

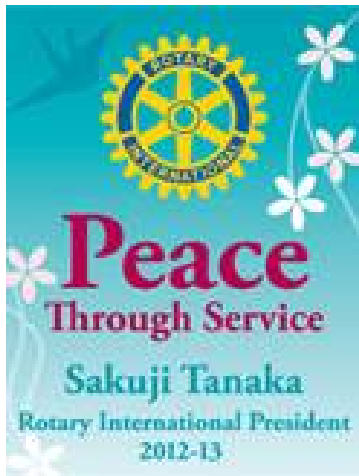

Continued on next page...

Established in 1988, Global Youth Service Day is the largest service event in the world, and the only day of service dedicated to children and youth.

Global Youth Service Day is celebrated each year in over 100 countries, with young people working together--and with schools, youth organizations, nonprofits, community and faith-based organizations, national service programs, government agencies, and adult mentors-- to address the world's most critical issues and change their communities. For further information on Global Youth Service Day go to: <http://www.gysd.org/about>.

REASONS TO LOVE ROTARY'S NEW GRANTS

🌸 Sharper Focus 🌸

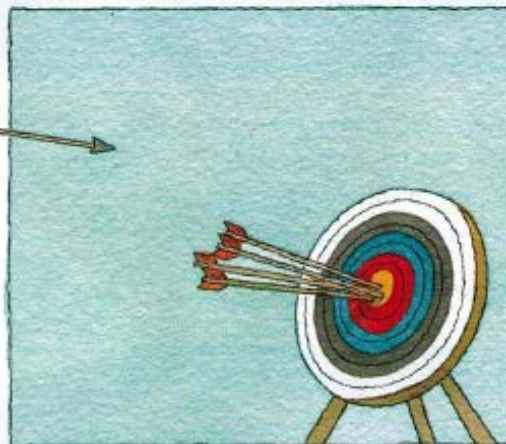

Grants funded all kinds of projects and activities...

...but without global coordination, many fell short.

Under Future Vision, global grants fund projects in six areas of focus...

...so the collective impact is far more powerful.

The Rotary Foundation's new grants will be available to clubs everywhere 1 July 2013.

www.rotary.org/futurevision

80 Thimbleberry Road
Ballston Spa, NY 12020

Thank You DG Melissa

...for a wonderful 2012-13!
