## From the Desk of the DGE:

By the time you read this, a group of 10 District 7190 Rotarians and Partners will be on their way to Bangkok, Thailand to attend the Rotary International Conference. We are all very excited to have the opportunity to visit a country so far from home and so unlike our own. Both District Trainer Nick George and I have been asked to participate in multiple breakout sessions about Social Media during the Conference. We are honored to be of assistance to our fellow Rotarians. In addition, I've been asked to deliver the speech I gave at the International Assembly in San Diego to neighboring districts' Assemblies. So, there will be more traveling in my very near future. As you may have noticed, we are testing out multi-club visits in the 2012-2013 year. While it's new to our district, it is a practice that has been alive and well in various districts throughout the world for a while. I thought this would be a good way to build fellowship among club members and strengthen the team spirit throughout the district. However, if your club wishes to have an individual District Governor visit, please contact me to schedule that as soon as possible.

### The District Governor visits are scheduled as follows:

- **July 12** – 12:00 pm Stockade Inn:  
**Schenectady Club**
- **July 16** - 6:15 pm Ballston Town Hall  
Burnt Hills: **All Area 5 clubs - Ballston Spa, Burnt Hills/Ballston Lake, Malta Sunrise, Mechanicville, Shenendehowa, Twin Bridges**
- **July 19** - Sharon Springs
- **July 25** - 7:15 am Hibernian Hall,  
Schenectady: **Schenectady East, Colonie-Guilderland, Niskayuna**
- **July 25** - 12:15pm Century House Latham:  
**Albany, Cohoes, Latham**

- **July 31** – 6pm, Saratoga Brew Pub:  
**Wilton, Turning Stone**
- **August 2** – 6:15 pm Country Meadows  
Fort Ann: **All Area 4 clubs - Fort Anne, Granville, Hudson Falls, Salem**
- **Sept 28** - 5:30pm, Holiday Inn Lake  
George Dinner Theatre, Lake George: **All Area 1 clubs – Chestertown, Glens Falls, Lake George, North Creek, Northern Lake George**
- **Oct 18** – Northville

If you don't see your club listed, then please contact Melissa ([Melissa@rotary7190.org](mailto:Melissa@rotary7190.org)) to set up a visit. If you want to hold a Multi-Club visit, please coordinate with your Presidents / President-Elects and Assistant Governor.

Another new item is the **Celebration of Heroes** event taking place on Friday July 13, 2012 at the Saratoga Hilton. This event is designed to thank the organizations our clubs have partnered with over the years and recognize their service to the community. We will also take the opportunity to re-introduce Rotary to these organizations and have a lot of fun networking and getting to know each other again. Thank you to the club members who submitted the names of over 80 different charitable organizations to be included on the invite list. This event is sure to be a sell out, be sure to register early. More information can be found here: <http://celebrationofheroes.org>. I look forward to working with you over the next year to serve and support your clubs in its goals. Please feel free to reach out to me at any time: [Melissa@District7190.org](mailto:Melissa@District7190.org) or 518-899-5855.

Yours in Rotary,

DGE Melissa Ward

## District 7190 Assembly 2012

Twenty-five Rotarians, participating in a Celebrate Rotary session at the District Assembly, lovingly compiled a list of reasons that motivates or inspires them to be Rotarians.

The group time traveled back to the early days of Rotary, through the establishment of the Guiding Principals and symbols, visited early leaders, the founding of the UN, the Polio initiative, and the first days of women in Rotary. PDGs Jim Spencer and Pepi Noble chronicled pivotal events, told stories, and shared the inside scoop on the Council on Legislation.

## Annual Water Walk

The Glens Falls Rotary Club is seeking teams to register for its Annual Water Walk to be held on Saturday, May 5th, 2010 in Crandall Park, Glens Falls. The Water Walk continues to support its ongoing efforts in Haiti where the recovery from the massive 2010 earthquake has been a long slow process. Participants in the event allow tens of thousands of people in Haiti (and other poorer nations) enjoy water that is safe to drink through the money they raise. The club partners with Pure Water for the World and provides both water filtration facilities as well as necessary hygiene education and support. Haiti has suffered from both natural disasters and a subsequent Cholera outbreak that has left its population vulnerable to water-borne disease. Pure Water for the World aims to provide solutions for immediate relief and long-term planning to eradicate water-borne illness from the lives of these people.

So far, the Rotary Club of Glens Falls has helped nearly 20,000 residents in southern Honduras access to potable water, provided support for the Glens Falls Medical Mission in their efforts in Guatemala and helped in Haiti with supplying treated water to residents of the slums of Port-au-Prince, water filters to countless others and a program of continuing hygiene training throughout Haiti. The number of lives touched by the club and by Pure Water for the World's efforts runs into the hundreds of thousands. Thanks to all who have supported or Water Walk and continue to do so.

The Walk will run from 9 am to 3pm on Saturday, May 5th, 2012 at Crandall Park. Pre-registration of teams is preferred but walk-ins are always welcome. See You There!

## District 7190 GSE Team Returns

Team Members:

**Michael Sallach**, a mason from Brant Lake, NY  
**Sheileen Landrey**, a children's educator from the World Awareness Children's Museum in Glens Falls, NY

**Andrea Grom**, an organic vegetable farmer from Schuylerville NY

**David "Jazz" Jaskolka**, computer software engineer with Commerce Hub in Albany, NY

### The Best GSE Team ever!

Our GSE team just returned from a month in Ibaraki Prefecture, Japan, just northeast of Tokyo and south of Fukushima. We toured farms and museums, stayed in a Buddhist temple, lived with wonderful host families and enjoyed the best hospitality imaginable.

The team was welcomed as Rotary dignitaries. Club members stood and applauded when we entered meeting rooms. Clubs played the US national anthem in our honor, and hosted us at innumerable fabulous meals.

This photo is of a highlight of our trip, the farewell dinner given by the Area that hosted us the first week. As a surprise the women were adorned in kimono and the men in hapi coats. As an extra surprise, we were deeply moved and honored to actually be given the kimonos as gifts to the women. Another deep honor was that the hapi coats had belonged to a Rotarian's late father, so it was very special indeed for the men to wear them.

During the month in Ibaraki, we learned about our professions in Japan and learned about Japanese arts, history and culture. The team was very outgoing and eager to learn Japanese language and learn about our hosts and Rotary in Japan.

Please come see our full presentation at the District Conference on 5/19/2012. We would love to tell you more about our visit and show you the pictures!
