

ROTARY

DISTRICT 5190

Alan Cain * District Governor

Issue 9 * March 2012

Notes from the Rotary Trail...

Greetings Rotary Family,

There's an old song that keeps repeating itself in my head, "On the Road Again". That's what Jeanne and I are up to these days as we are combining mid-year DG visits with Foundation Dinners, club fund raisers, special meetings, and other Rotary events. While we're not the "gypsies makin' music with our friends" that Willie Nelson sings about, we certainly are "making Rotary with our friends" instead. Last week we embarked on a five and a half day "on the road again", and accomplished fifteen individual Rotary events. It was truly a pleasure to re-visit the clubs, albeit through the joint meetings with area Presidents and Assistant Governors. The time spent at social events and fund raisers adds special value to the travels as we get to know Rotarians on a more personal level. We certainly have dynamic and energized clubs in our district, and every reason to be proud.

One program I'm proud to report on is our **2012 Group Study Exchange**. Our team is hard at work preparing themselves for an experience of a lifetime in their month long trip to Brazil. I've been dropping in at their orientations and am impressed with the teams hard work in preparation for delivering Rotary club programs in Portuguese, learning basic language skills, cultural understanding, obtaining visas, uniforms, and all the other travel details for such an adventure. They certainly display a team attitude and will be great ambassadors for District 5190.

Presidents Elect Training Seminar (PETS) will be in full swing in San

Jose about the time you sit down to read this newsletter. Fifty eight Club Presidents Elect form D5190

will get their motors revving on high octane Rotary over a three day period this March 2-4. Yes, fifty eight, not fifty four, as we now include our new Rotary families from Mammoth Lakes and Bishop. Be prepared, Rotary clubs, for their return. It will be hard to hold them back as DGE Woody Wilbanks, along with the outstanding PETS curriculum, has every intention to fuel them to the max for a great year of club leadership.

District Assembly is on the horizon and will be here before we know it. April 21 is the date, and this is a "must attend" training for all incoming club officers from the President on down through the board and committee chairs. I can't tell you how many times I hear Rotarians say that they don't want to attend District Assembly because they've attended before and don't need to do a repeat on something they've already learned. Horse pucky! Things change in Rotary and you learn something new every year. In these facilitative classes you, the students, become part of the teaching dynamics, sharing your experiences and knowledge about the particular subject being taught. You owe it to your club, yourselves, and each other to attend

Area 1

Assistant District Governor

Marlene Cummings

Where the Sierras meet the Cascades in the beautiful Lake Almanor basin, sits my home club of Chester. I am wrapping up my third year as AG and am proud of the clubs I have had the privilege to serve and support these last three years.

Area 1 is located in the mountains of Plumas and Lassen counties and includes the Susanville high desert area. The four clubs comprising Area 1 have more than 200 years of service to community: Susanville, chartered in 1926; Westwood in 1937; Chester in 1992; and Susanville Sunrise in 2002. Three clubs celebrate significant anniversaries in 2012: Westwood has been serving their community for 75 years; Chester has a 20 year service history; and our newest club, Susanville Sunrise reaches their 10 year milestone.

March is our month to focus on *Literacy* programs. We are three fourths of our way through our Rotary year and looking forward to Spring and plans for a new Rotary year. One of the best aspects of Rotary is that it encourages each club to be unique and to define their goals and projects with their communities in mind.

The Chester Club celebrates Literacy month with a Dr. Seuss birthday reading and book give away to the 2nd graders at Chester Elementary. The club will continue its monthly reading and book donation to the kindergarten class. This project is shared with other Plumas County clubs and is in its third year. The speech contest, although held in February spotlighted literacy through the hard work and professional presentation from seven contestants representing two schools. Kudos to chair Dennis Gomez. The club continues to be passionate about youth programs and supports an *Interact* club, two outbound RYE students, one RYE inbound, sponsors two RYLA students and awards three annual scholarships for academic, vocational and continuing higher education. Special thanks to Cheri McIntire RYE counselor and Gina Pixler Interact Advisor. The club is putting a DSG to work in partnership with the County and other local businesses to complete an irrigation and landscaping project at the newly completed Community Recreation Center. In May, the club will sponsor the Memorial

Week-End Craft Fair at Chester Park for the third year. This two day event really put the *fun* back in *fundraising*. July 4th will find Chester and Westwood Rotarians selling duck race tickets for the Feather River Duck Derby that

follows the local parade. July 28 is the third annual Mid-Summer Madness event at Foxwood Pavillion near Lake Almanor. This food, wine, beer & spirit tasting event is the top fundraiser of the year and a party not to be missed. This year the club will partner with the local Chamber of Commerce to enhance the event. A small morning club, Chester has been enjoying inspired fellowship at regularly planned old fashioned potluck dinners. This has become a real favorite of members. President-elect Joe Cummings is headed for PETS and a year of Peace Through Service.

Westwood is an ever shrinking, old logging community. The Rotary Club of Westwood has a 9 member roster - small but mighty and amazing. After 75 years, they are employing their first ever DSG to support their Breakfast for Kids Program which serves a hot breakfast to the 80+ elementary school kids on the second Tuesday of each month. In addition to the speech contest, they sponsor a RYLA student and are involved with the local Boy Scouts. They host the Annual Easter Egg hunt with 90 dozen good old fashioned colored eggs and also sponsor an Easter poster coloring contest for elementary age kids. Opening day of Little League finds these dedicated few serving up breakfast burritos and juice to about 120+ kids and parents. Summer kicks off with their annual painting of all the white parking lines in front of businesses, including the Senior and Resource Centers as well as keeping the George Young Rotary Park maintained. Academic and Vocational scholarships are awarded each June, they prepare 10-12 food baskets for families in need for both Thanksgiving and Christmas, and for 35 years, Santa has made an annual visit to the elementary and pre-school for official lap sitting, bags of holiday treats and fresh oranges. Santa is of course - a Rotarian. Their traditional fundraisers include the February Crab Feed, a Cinco de Mayo bar, July 4 Duck Race with Chester, Old-Timers/New-Comers Picnic in August - a major undertaking, and Winter in the Mountains Hot Beverage Booth. Talk about Service Above Self! My hats off to the Westwood club - they never cease to amaze me and their commitment to their community in the name of Rotary. Current President John Cox will serve a second year.

Susanville is Area 1's oldest club. Incoming Assistant Governor Penny Artz is a member of this venerable club. After 86 years, they too are putting their first DSG into action: a remarkable literacy project which serves 4 schools with ongoing classroom reading by Rotarians and donating over 1000 books to students. Youth are the focus with continued student of the month recognition and RYLA camp participation. President Bob Burns turned the Rotarians at Work day into a year long event in con-

(continued on page 3)

junction with the Sunrise club. The first or second Saturday of each month finds the clubs working on a small service project around the community and following up with fellowship and a BBQ. Ongoing, they place American Flags along Main Street for various holidays. A rich history in ranching, they host the Annual Cattleman's Luncheon inviting other Rotary clubs to attend and at Christmas, they host a party for local children. As the two Susanville clubs draw from one high school, the clubs alternate who hosts the speech and music contests and then hosts the area competition. This year, Susanville will host the speech contest. President-elect Fred Autenreib is on his way to PETS.

Susanville Sunrise is a dynamic young club committed to the Foundation in a big way. Their 9th annual Foundation Dinner was held on 2/24 where they presented nine Paul Harris Fellows. This 10 year old club has donated over \$100K to the foundation with a per capita donation exceeding \$200 every year. They recently sponsored the blood drive for United Blood Services, cut and stacked wood for seniors, and packed Christmas packages for Food 4 Families. They are hosting an RYE student from Thailand and recently inducted a couple of new members. Their annual fall Wine Tasting fundraiser was followed by a Win a Trip for two to Maui. Members have joined Susanville for monthly RAW days and will be sponsoring the local and area music contest. President-elect Michelle Zubillaga will join fellow Rotarians at PETS.

The Visionaries are coming. May the good work of Rotary continue in your hearts and communities. Many thanks to Area 1 clubs and the DG's I have served for enriching my experience of Rotary as your Assistant Governor.

RENO ROTARY'S MARDI GRAS

By Lisa Jansen

On Fat Tuesday, Reno Rotary held its 20th annual "Mardi Gras" at the Reno Ballroom in downtown Reno. Ap-

proximately 1,000 people attended this food and wine tasting event including our immediate past District Governor, our current District Governor, and the District Governor Elect accompanied

by their wives (see enclose picture). Members from other clubs in the area also joined in the revelry as well as the general public.

Everyone enjoyed 85 different wines by 60 wineries served at 12 stations scattered around the perimeter of the room.

Interspersed with the wineries were 20 unique food vendors who offered a full range of food to sample from appetizers to deserts; from gumbo to pasta, from lettuce wraps to sausage; all the while being entertained by the music provide by Ga-

lena High School Band.

This event is the largest fund raiser of the year for the Club and in the past has brought in

over \$70,000. At the writing of this piece it is too early to tell how much was raised this year, but the general consensus is this might be our best year ever. Carl Fuetsch chaired the

committee that consisted of over half of the members participating in one form or another.

District Assembly.

March is “**Literacy Month**” in the Rotary world. During the official club visits earlier this year I was very impressed with the number of clubs who had developed and were prepared to deliver Literacy programs to schools in their areas. They ran the gamut in size and scope, from reading to children, to donating books to libraries, to empowering adults through adult and ESL literacy programs. Everyone is empowered when they develop good reading and cognitive skills. Make Literacy a priority in your club. The dividends paid will be enormous for years to come. This is one of those “transformer” things I spoke about at the club visit.

By now every Rotarian in the district will have been mailed an announcement pertaining to our **District Conference**. You will also see information in this newsletter and on the district website on how to register on line. We are very excited to be able to offer our Rotary family a great time of fun and celebration as we go “**Back to the Future in Rotary**”. We start with the traditional D5190 Golf Tournament on Thursday morning, this year to be on the *Hills Course* at Red Hawk. Our keynote speakers will keep you on the edge of your seats. When you’re not seated you may well be dancing Friday and Saturday evenings, or you may find yourselves in great conversation and fellowship with Rotary friends. The Speech and Music contests, breakout sessions, Hall of Friendship, RYE and Interact participation, and Awards programs will all add to the festivities. So please plan to attend and register soon. **Early Bird** Rotarian registrants (by March 31) will have a special opportunity not open to others. Their names will go into a special drawing to be held at the conference, with the winner of the drawing taking home a week’s stay at the Maui Sunset Resort on Maui for up to six persons. What are you waiting for?

Lastly, I wish to remind all clubs to be working on their Call to Recognition and Presidential Citation awards. They need to be submitted by their due dates or they will be disqualified for recognition. There are so many worthy projects and programs throughout the clubs in D5190. Let’s get them in for the recognition they are due.

Yours for Transforming the World, DG Alan

District IT Committee Forming

We need your help advancing the technology resources of District 5190. This is an opportunity to server your fellow Rotarians and a chance to share your skills and learn new ones. All planning meetings will be held on line. Have a major influence on shaping the electronic footprint of our District!

Some projects the group will be working on:

- District website on Club Runner—help convert and maintain the new site.
- Online storage solutions.
- Social Media-LinkedIn, Facebook, Twitter
- Distance Learning—Online meetings, developing webinars and YouTube videos
- Special Projects-Wikis, Policies and Procedures
- And more!

Rotary Foundation Donor Advised Fund

The Alturas Sunrise Rotary Club is pleased to announce the formation of a Rotary Foundation Donor Advised Fund. This fund is the result of a generous bequest from the late Edna Brown. Many local Modoc County residents will remember Edna as the owner of Fay's Jewelry Store, once located on the west side of Main Street in Alturas. Upon her passing, Edna left a large sum which she intended to be used to benefit local causes, with an emphasis on the youth of the area. Edna's dream has come true with the establishment of this new fund to support local charities and non-profit organizations backed by the Rotary Club. Now we can all follow Edna's example and contribute to the well-being of our community through this fund. Contributions are welcomed from both individuals and businesses.

All contributions are fully tax deductible and acknowledged through the Alturas Sunrise Rotary Club. For more information, please contact Dwight Beeson at Plumas Bank, (530)233-1999.

Reno Rotaract and the Bighorns

The Rotaract Club of Reno was the Charity of the Night at the Reno Bighorns game on February 10th. Rotaract purchased 200 tickets at a discounted price and sold them at a face value of \$10 per ticket. The Rotary clubs in Area 8 supported the event by buying a majority of the 165 tickets that were sold. With a breakeven of 140 tickets, Rotaract made a small “profit” on the ticket sales, plus income from a raffle for a signed basketball and 4

Rotaract President Courtney and International Service Defector Travis tossing shirts into stands.

courtside seats at a future Big Horns game.

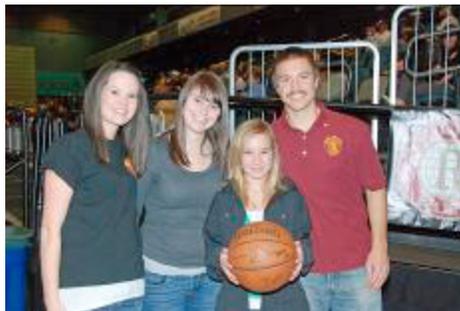

As the Charity of the Night Rotaract had a table at the entrance to the arena. At the table Rotaract members sold the raffle tickets and handed out information about the Purple Pinkie Fun

Rotaract members sold raffle tickets and promoted the Polio Fun Run

Run, their annual Polio fundraiser. During the Bighorns game the announcer made several Rotaract announcements.

As a community service project Reno Rotaract donated 30 unsold game tickets to the Reno Assistance Center Family Shelter which gave families staying at the shelter the opportunity for an evening at the game.

Paul Harris Society Dinner 2012 Invitation

Are you a Paul Harris Society member? A Major Donor? A Bequest Society member?

If so, in appreciation for your generous support of The Rotary Foundation, District Governor Alan Cain would like to invite you to the Paul Harris Society Dinner on April 20 at 7 pm at the Poolside Terrace Room at John Ascuaga’s Nugget.

This year's keynote will be delivered by Leah Katz, an Ambassadorial Scholar with an exciting story to tell about her experience as the first female and the first white student at the University of Uganda.

Join us for an evening of fellowship, good food, and an inspiring presentation from a Rotary Ambassadorial Scholar.

[Register on line.](#) Contact Karen Grosz, Paul Harris Society Chair, District 5190 if you have any questions. If you're not already a Paul Harris Society member, Major Donor, or Bequest Society member, e-mail her and she'll explain how you can join one or more of those groups.

THE BRAZILIANS ARE COMING!

This year D5190 is exchanging Group Study Exchange teams with District 4310, Saõ Paulo, Brazil. The Brazilian team will be in our area from April 21st until May 21st. The team will participate in the district conference.

If you are in Area 8, 9, 10, 4, 5 or 2 you will have the opportunity to meet and get to know our visitors from Brazil. The best way to do this is to host a team member. The team is led by a Brazilian Rotarian who is in marketing and public relations. The team members are between the ages of 25 and 40. Two are IT managers, one is an English teacher and one is an engineer at a paper factory.

Our out-bound team is led by Dan Halloran of RC of Penn Valley. His team consists of Lyndsay Bryant, a small business owner, Carly Nilson, a water specialist with the Lahontan Water District, Kimberly Phipps-Nichol, a LEED accredited designer and Robin Krueger, newly hired outreach and community relations manager at Northern Nevada Medical Center.
