

Dear

**"PRIDE OF WORKMANSHIP AWARD"**

This is an invitation from the Rotary Club of ... ..... for ..... to participate in Rotary's "Pride of Workmanship" awards. Rotary believes "Pride of Workmanship" – the sense of responsibility to do a job well, to strive for excellence of service and to give of oneself to their chosen vocation - is one of the greatest intangible resources yet to be recognised in our working community.

As part of our campaign to encourage the "Pride of Workmanship" theme, the Rotary Club of ..... would like, through employers, to give recognition to employees, either as individuals or as a team or department who have embraced the fundamental principle of Pride of Workmanship - "Do it once - Do it well".

Recognition and awareness is the purpose of the award, and with your help the theme can be spread amongst your employees and beyond.

We would like to give you the opportunity to nominate one of the above who, in your opinion, display qualities worthy of such an award. Successful nominees will receive their awards at a presentation incorporated into our dinner meeting held each week. One award will be given each quarter during this financial year. Specific details will be supplied on successful nomination.

If this format appeals to you and you would like to nominate one of your employees, teams or departments, or you would like further information a form has been provided on our Website for your convenience. Please go to [www.rotary9790.org.au/pow.asp](http://www.rotary9790.org.au/pow.asp) and complete the form you find there.

**Help us to help you by encouraging "Pride of Workmanship" in our community.**

Yours faithfully

Vocational Director  
Rotary Club of .....
