Message from District Governor

Sue Pearce

Dear D5690 Rotarians,

After a very successful District Assembly in Pratt, Kansas last month, 21 of our 31 clubs submitted grant applications. It is so wonderful that \$83,990.00 is coming back to our District to be used for everything from providing dictionaries to 3rd graders to planting trees at the playground in Winfield.

It is always rewarding to see the report of projects being completed in our District. As Rotarians, we make a difference in this world, one project at a time.

Thanks to all of you who submitted grants, and to those who will help complete your projects. Enjoy the hard work and smile at your accomplishments.

Sue Pearce

District Governor 2013-14
Rotary Club of East Wichita

In Memory

Our District was saddened to learn of the death of **Ken Lerman**, husband of Geri Appel, on May 5, 2014. PDG Geri sent this note:

Thank you, D5690 Rotarians, for your cards, calls and messages, etc. during and following Ken's all-too-short illness. Each act was given and accepted with love. Thank you for bearing with me as I focused on Ken the past two months. After I return from the RI International Convention in Sydney, I'll be ready to get back to work for Rotary and our great District.

—Geri Appel—

Ken was a member of the RC Wichita for 27 years. He was a Paul Harris Fellow, a Benefactor, a Bequest Society Member and a Major Donor to The Rotary Foundation. Click here to read his obituary: <http://www.legacy.com/obituaries/kansas/obituary.aspx?n=kenneth-b-lerman&pid=170938211&fhid=4860>

District Service Above Self Awarded to Bob Goebel (W. Wichita)

District Leaders honored **Bob Goebel** with the **District Service Above Self** award. Bob is a Charter Member of the Rotary Club of West Wichita, serving as Club President in 1991-92, Sergeant at Arms and International Service Chair for 3 years.

Bob supplies materials and the facility for club members to build bookshelves for the 1st graders at Lawrence & Benton Elementary. He has participated in the Salvation Army Bell Ringing, built bunk beds for a family in need as part of the club's Holiday Family project and donated materials and built a supply shed for the club's Outdoor Classroom at Lawrence Elementary.

Bob is a Paul Harris Fellow +5 and a Rotary Foundation Benefactor and Bequest Society Member. He hosts International guests through the club's projects (GSE, RITE). He served as District 5690 Chairman for International Service and traveled to Panama as chaperone for Interact students. Bob has hosted Fireside meetings at his business, spoken to students at several high schools about his vocation and to Elementary students about how sod houses were built using a model he created. Bob has served on the board for a number of community organizations. He was Wichita Festivals, Inc. Admiral Windwagon Smith #22.

Congratulations Bob!

A Note from Nass

Barry Hamadoun, known in the district as "**Nass**" recently sent an update and greeting to District 5690. Nass was our District Rotary Ambassadorial Scholar to France during the 2011-12 school year and spoke at many of our clubs after he returned to the U.S. and before he returned home to Burkina Faso.

I passed the teaching entrance exam that leads to a permanent teaching post in professional schools. I am really very happy. I am planning to get married (traditional wedding) at the end of Ramadan (end of July). I am really very excited. I was tired of living alone.

As you may know, we are going to have presidential election in 2015. It will be a turning point for the future of our country. Personally I worried a lot. People are tired of the actual president who came to power since 1987. Before 2015 we might have a referendum to decide whether or not he may run in 2015.

If things go wrong we might have a serious crisis. Right now I think about the possibilities of talking to people by making small conferences to invite them to tolerance. We need to learn to respect each other's choice. Here we have the majority and the opposition. The so-called majority wants the president to stay in power eternally and the opposition wants a change. I do agree with the opposition, but I don't want a change at any price. What we need is a change in a peaceful transition, not a change that will lead our beloved country into a civil war or other crisis.

Please pray for us.

My best regards to the D5690.

Sincerely,

Nass

Rotaract Serves in Panama

The **Interact Club of West Wichita** is a service club for our area high school students founded in 2002 and sponsored by our two west side Rotary clubs—**Rotary Club of West Wichita and Rotary Club Sunrise**. The club meets bimonthly throughout the school year and participates in various community service projects.

Every other year, the group travels to Panama as an international service project. The trip gives them the opportunity to provide **Service Above Self** to the very poor, learn firsthand about a culture outside the US, learn Spanish through an immersion experience, work alongside adult Rotarians in a meaningful work project and an opportunity to build long-lasting friendships with those who make the trip and those they meet. This year, 21 Interact students and 7 adult sponsors went to Panama during Spring break, March 15 – 20, 2014. They visited several schools and an orphanage to deliver the tubs of supplies they took with them.

This trip was made possible in part through fundraising efforts and support from the two west side Rotary clubs

Derby Rotarian Betty Wilken Recognized

Mayor Dion Avello is pleased to announce that **Betty Wilken** is the recipient of the 2014 Mayor's Award of Excellence. The award was established in 2002 as a way to honor an individual, family, organization, or business that has contributed significantly to the Derby community. The award was presented at the May 13 City Council meeting at 6:30 p.m. at Derby City Hall, 611 Mulberry Rd.

Betty is a long-time resident of Derby and has been continuously involved in the community. She has volunteered in various facets of philanthropy in the City. Her involvement includes program director for the **Rotary Club of Derby**, treasurer of the Friends of the Derby Public Library, and active board member of the Derby Community Foundation. Betty led development of Library2Go, a joint project of the Rotary Club and library to deliver library materials to homebound Derby residents. She volunteers four hours every week at the Derby Senior Center and has been actively involved in the Derby Chamber of Commerce since 1976. She credits her volunteerism to her mother's example.

"If a service organization exists in Derby that Betty is not actively involved in, I'd be surprised," said Mayor Dion Avello. "Recognizing the love and care that Betty Wilken shows her home city since 1967 is exactly the purpose of this award. Derby would not be Derby without Betty Wilken."

Interact in the News in Ulysses

The week of March 31st began the Kepley Middle School **Interact Club's Purple Pinkie campaign**. Rotary International (sponsors of Interact clubs for children 12-18) has led the world in an effort to rid our communities of the polio virus. When a child is vaccinated, they put a purple stamp on their little finger – that is the origin of this fundraiser to eradicate polio done by Interact students around the world. The Interact club members have visited Ulysses High School, Sullivan Elementary, Hickok Elementary, Pioneer Communication, Pioneer Electric and Kepley Middle School to paint pinkies for \$1.00 a digit.

Polio is a virus, highly infectious, passed from person to person that result in childhood paralysis if it enters the central nervous system. The last cases of naturally occurring paralytic polio in the United States were in 1979. President Roosevelt actually contracted polio while in Canada when he was 39 years old, 12 years before he became president. Within 2 days of the exposure he was paralyzed in both legs. Adults are not immune to this virus if they have not received the vaccine. In 2010, there were 1292 reported cases of polio in 4 endemic countries...but this year we received an announcement on End Polio Now's Facebook page from Bill Gates that India, one of those four endemic countries, was certified polio free:

“Eliminating polio in India is one of the most impressive accomplishments in global health ever. Because of India’s success the entire southeast region of the WHO has been certified polio free. The credit for this belongs to governments throughout the region and to key partners like Rotary International. 144,000 Rotarians in the region worked tirelessly to secure the political commitment and the money needed to reach hundreds of millions of children with the polio vaccine. Thanks to these efforts, Rotary is helping to make global polio eradication a reality. I hope you take a moment to feel pride in your success. But there is more work to do. **We have stopped endemic polio in all but three countries.** Until polio is stopped in these countries too it is still a threat in every country. We need you to keep up the good work until we can certify that the whole world is polio free; so that no child anywhere will ever suffer from this terrible disease again.”

It is with these exciting results that your middle school leaders entered into this year's fundraiser with a goal of \$1000.00. This money will vaccinate 2500 children. We are really just “this close.” If you can contribute still today, please donate to Interact KMS, PO Box 232, Ulysses, KS 67880 or drop off your donation c/o KMS Interact at Pioneer Communications.

This is an exciting time and our children will change the world.

Submitted by Rotary Club of Ulysses & published in Ulysses News

*EDITOR'S NOTE: The total raised by Interact was \$1,054. . The club recognized Juan Perez, the principal of Kepley Middle School and Ken Warner , principal of Hickok Elementary since their donation and participation was so much more than all the other schools. **Great job!***

Thank you—Donation Appreciated

She and her husband, Denys, and their little daughter, Maria moved to the U.S. (KC area) last month with nothing but their suitcases. Due to generous donations from club members, Oksana and family received a \$1,500 gift card to help set up their new apartment. Other contributions of household items from club members were also made.
