SPRING HAS SPRUNG!

Commodore's Line - Steve Wise

Winter is officially over, and Spring has sprung! It won't be long until our new dock sections have been delivered at the end of March just in time for our scheduled Docks-In coming up in April.

Speaking of new, let me be the first to welcome and introduce our seven new families who recently became members of PBC. Please make sure you introduce yourselves to these folks and make them feel at home at our Club.

Frank and Patty Zenner – Matt (28), Beth (25) and Steve (22)
Daniel and Linda Judson – Michael (28)
Dr. Mark and Laura Sniadanko – Connor (9), Brayden (7) and Grayson (4)
Michael and Shelley Provenza – Nick (16) and Myles (7)
Keith and Jennifer Robeson – Cecilia (13) and Benjamin (10)
Jeremy and Melissa Ballert – Sylvia (6) and Amelia (4)
Steve and Laurie Reece – Alyssa (29) and Erin (22)

This is an exciting time for the Boat Club as we are about to launch our plans for our new PBC Clubhouse facilities. A drawing package application will be going into the City Board of Zoning Appeals in a couple of weeks. The Building Committee has been hard at work along with our design and code consultants preparing and drafting our submission. We go before the Board in early to mid April. These are not the final building plans - those will come later; however, this is a crucial point as this will determine if and what we can build on our property on both sides of Water Street.

Finally, Lady Karen and I want to thank everyone who came to our home for the March Winter Potluck this past Saturday March 19, 2016. Special thanks for those who helped out with the prep, clean-up and supplying the needed chairs and tables to comfortable seat the over 50 people who attended this event.

SPRING MEMBERSHIP MEETING - PLEASE NOTE THE DATE AND LOCATION CHANGE FROM WHAT WAS PUBLISHED EARLIER.

The PBC Spring Membership Meeting will be held on Wednesday, April 6, 2016 from 7:00PM to 9:00 PM in the basement of the First United Methodist Church. The church is located at 200 W Second Avenue on the corner of Second Street and Walnut with a parking lot adjacent to the City parking lot on 3rd street. (Please note: No alcohol can be served or consumed at this event/)

Vice Commodore - P/C Dave Dicke

I have been finalizing the 2016 event calendar. It is included in this newsletter. I have used membership application surveys to add names to activities. People who did not make any references have been assigned various activities. Please review the schedule and advise me if you need to change a date or activity. You will note some dates and activities don't have names or helpers. Please volunteer for any open dates. I tried to accommodate the dates members requested.

**UPCOMING Winter Pot Lucks: Pot Luck start at 6:30 pm April 16 2016.
P/C Dick and Lady Sheri Luedtke; 419-877-9429; 5962 Lynwood Ct. Whitehouse
PLEASE RSVP by April 12 to Luedtke's TO COORDINATE POTLUCK ITEMS, ETC.**

Building Fund and Loans Progress

PBC members, we are still looking for members who are willing to provide a short term loan to the Club for the building and land acquisition fund. Please call me and I will provide updated information about our building fund and plans. I will outline the loan concepts we are hoping to achieve. We are better than half way to the goal!

We will not cash any checks until the building permits are approved and a contract for construction is in process. We don't expect that until July at the earliest. I will keep all lenders informed as we progress. Thank you in advance for your support for our Club and its future. P/C and now V/C Dave Dicke my phone: 419-350-3760.

 “To eliminate the paragraph under Article X, Membership, Section 3, that states.
 ‘Sponsors: Members may only sponsor a total of two (2) applicant's whether on the waiting list or during the one year probationary period of a new member at a time.’ ”
