RE: 'BOOKS DONATION' THANK YOU NOTE

Dear All

This letter is meant to acknowledge and appreciate the donation of books by Mr Trevor Mulaudzi with the courtesy of the Polokwane Rotary Club. The books were donated free-of-charge to the University of Limpopo's Reading & Writing Centre (RWC) on Monday, 02 March 2015.

The Reading & Writing Centre, being a new establishment under the auspices of the University's Centre for Academic Excellence, is now the proud owner of over 2000 books on diverse learning areas. On the morning of delivery, the students serving as RWC Language Consultants, together with volunteering students, formed a human-chain conveying the donated books from the drop-off point outside the Main Library, down the stairs, into the RWC venue. The pictures below talk to the event in question.

On behalf of the Centre for Academic Excellence, Thank you Polokwane Rotary Club.
