Last Week: DG Dave Patterson

Dave spoke to the club on the importance of Rotary on worldwide issues such as poverty, health, water, education and peace. Our RI model has attracted some high profile interest from some large foundations and worldwide organizations as a shining example of how to make a huge difference to improve the world!

Round Table

Lindsay R.-has a lot of free time on her hands after hosing Chitra from the S.African GSE team last week. Lots of discussions about Canada and its people were the order of business.

Justin N.-recently volunteered at his daughter Shannon's kindergarten for a day and had an amazing time.

Doug J.-is enjoying the new role of Grandfather. His son has recently gotten a job as a ski patroller in Golden BC and will be returning to do his masters next September.

Andrew M.-currently dealing with sleep deprivation after the summer birth of his second child. Has put away the golf clubs and has reopened the woodshop in the garage to build a "big boy bed" for his two year old.

Dave Patterson-His wife is soon off to Australia to visit his mother in law. His schedule is very busy doing all the club visits.

The gsters are now in Mississauga and preparing to head for home after a great exchange. Many thanks to all who made it happen but particularly Kathi Smith for spearheading this for District 7080!

Membership

Once again, Jim McIntyre is beating the drum of a membership drive. His message is: bring a guest to help our club to maintain its size and grow.

"Put your ask in gear" and invite someone today!

District Convention

Thanks to all who attended last weekends' District Convention in Orangeville. This convention was well attended and gave an insightful look at the larger role of Rotary in the world than we may see.
