SKATE 48

At our Rotary meeting on March 4, Blair Haley (one of our two co-chairs) reported the good news that we had brought in about \$115,000 in deposits and receivables for this year's Skate 48. Blair thanked everyone for their support. He was recently asked how many meetings it took to put together the event. Blair's response was one meeting. One of the great strengths of the event is that each Rotarian looks after their own area of responsibility for the event.

An hour to organize and a day to run – is that really what Skate 48 is? We all know how many hours so many of our club members put into the event. It is a great example of Kitchener Grand River Rotary's fellowship and commitment at its best.

Special thanks to Blair Haley and John Murray for their leadership in this event. This event allows us to make a huge difference in the lives of so many children in our community!

Special thanks to the Rotarians who had the idea of taking Great 48 and moving it to the ice. We have a great formula that takes lots of time, commitment, hard work and fun. Thank you for the gift to our club and to our community.

As we look towards next year's event, if you have any suggestions for tweaking, please pass them on to Blair or John for incorporation for next year.

All club members should take a moment to feel proud of the great accomplishment that is Skate 48!
