Ending polio forever

In addition to the seven (7) areas of focus, Rotary continues to its work to eradicate polio. After more than 35 years, our goal of ridding the earth of this disease is in sight. We started in 1979 with vaccinations for 6 million children in the Philippines. Today, Afghanistan and Pakistan are the only countries where polio remains endemic.

International Awareness

With more than 34,000 clubs in over 200 countries & geographical areas, Rotarians gain an understanding of humanitarian issues through international service projects and exchange programs. One of Rotary's highest objectives is to build goodwill and peace throughout the world.

Friendship

Rotary was founded on friendships and opportunities for fellowship -- an ideal that remains a major reason for members to join today. Club members enjoy opportunities for social events and include their own friends and family member with club projects. Rotary club members who travel have friendly contacts in almost every city in the world.

Good Citizenship

Rotary club programs keep members informed about what is taking place in the community, nation, and world and motivated to make a difference. Clubs meet at various schedules (weekly, bi-weekly etc.)

Youth and Family

Rotary sponsors one of the world's largest youth exchange, educational exchanges, and scholarship programs. Rotary clubs provide innovative training opportunities and mentoring for young leaders and involve family members in a wide range of social and service activities.

Entertainment

Social activities give Rotarians a chance to let loose and have fun. Every Rotary club and district hosts parties and social activities that offer diversions from today's demanding professional and personal schedules. Conferences, conventions, assemblies, and social events provide entertainment as well as a chance to exchange Rotary information, education, and service ideas.

Ethical Environment

Ethics are at the heart of Rotary ... doing the right thing in our profession and demonstrating respect for all work that people undertake. From its earliest days Rotary has helped support business professionals and developed Rotary's The Four-Way Test. It is as follows:

Of the things we think, say or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it BUILD GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?

Leadership Development

Rotary is an organization of successful professionals. You will enjoy an opportunity for team building, fundraising, public speaking (enhanced with a recent partnership with Toastmasters), planning, organization, and communication. Club members can exercise and enhance their skills in all areas, based on their wishes. Being a Rotary leader provides further experience in learning how to motivate, inspire, and guide others.

Women and men who are leaders in business, industry, science, arts, government, sports, the military, health services and many professions may join Rotary. Rotary clubs are non-political, non-religious, and open to all cultures, races, and creeds.
