CORPORATE MEMBERSHIP

Rotary is an international service organization whose stated purpose is to bring together business and professional leaders to provide humanitarian services, encourage high ethical standards in all vocations, and to advance goodwill and peace around the world.

There are over 34,000 member clubs worldwide consisting of over 1.2 million members.

As a global network your membership would allow you to attend a Rotary club meeting anywhere in the world, providing an opportunity to exchange ideas and make connections for both you and your company.

As an international organization Rotary strives to build a world where people unite and take action to create lasting change. Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, colour, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

A Corporate Membership is ideal for companies like yours that want to contribute to making their community better and partner in Rotary activities in the community where your employees work and/or live. It provides an opportunity for your organization to continuously benefit from all that Rotary has to offer, regardless of changes in professional staff and leadership of your organization.

Here's how it works:

1. Any company or organization may choose to nominate up to two representatives to be active members of the Rotary Cambridge Sunrise.
2. If the active member cannot attend all the meetings, a second employee of the company/organization could also attend.
3. If designated employee(s) leave your organization for any reason, simply transfer membership to another employee at no cost. What's more, the individual who leaves may transfer his or her Corporate Membership to an Individual Membership.
4. Dues are currently \$200 per year, paid in advance. Additionally, for each meeting that a member attends he/she would order their meal on the Galt Country Club membership number associated with the Club Social Member account held by the company (Details from www.galtcountryclub.com). A Vulnerable Sector police check is required as part of the application process (as we work directly with youth and seniors).
5. Corporate Members have full membership opportunities in our club and are encouraged to participate on committees, community service projects and events, club officer positions, etc.
