

Donation Request Form

All requests for funding will be considered by the Rotary Club of Brampton Community Charity and the Grants & Awards Committee. Both committees are comprised of Rotary members in good standing with a board representative serving on each committee. Please note that it is our mandate to provide funding for local charities that primarily support the Brampton community. There are some exceptions to this mandate.

The committees are unable to approve:

- multi-year requests or roll-over (year to year) donations
- sponsorships for events

When submitting your request, please include as much information as possible including details about the project, other funding sources (or requests), the amount requested, and why you are seeking our assistance.

Please send your request directly to the Community Charity and Grants & Awards at:
