Supporting the Environment Becomes a New Area of Focus

Excerpt from the District 780 website

The Rotary Foundation Trustees and Rotary International Board of Directors have both unanimously approved adding a new area of focus: supporting the environment.

More than \$18 million in Foundation global grant funding has been allocated to environment-related projects over the past five years. Creating a distinct area of focus to support the environment will give Rotary members even more ways to bring about positive change in the world and increase our impact.

Supporting the environment becomes Rotary's seventh area of focus. It joins peacebuilding and conflict prevention; disease prevention and treatment; water, sanitation, and hygiene; maternal and child health; basic education and literacy; and community economic development. Each of these areas supports the development and execution of programs that are eligible for global grants from The Rotary Foundation.

Grant applications for projects will be accepted beginning on July 1st, 2021. Gifts and commitments from Rotarians and others will be sought to provide global grant support for the new area of focus.

More information about this new cause will be announced soon .

District Governor

Mike Lawrie welcomes you to the Rotary District 7080 website

Excerpt from the 7080 website

My Personal Theme for this year is **Take Care of Self, Each Other and the Planet. Of Self**

Our personal success depends on making smart choices, on having strong relationships and working on restoring and strengthening our environment. As a retired Family Physician I naturally bring my professional values to Rotary. In this month's message I'd like to focus on **Taking Care**

RI Monthly Presidential Message

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more

Peace Anyira has joined our club. Peace has been connected to Rotary for a number of years so she is transferring her membership. I'm sure she would love to hear from you to welcome her.

NEW MEMBER

Heart Lake Meetings

Check out "HeartLakeRotary.ca" website
