APRIL DESIGNATION IS

MATERNAL AND CHILD HEALTH MONTH

Photo by Alyce Henson. © Rotary International. Design layout by Gilbert Thien Rotary Club of Miri.

“Every child deserves a chance at a life filled with love, laughter, friends and family.”

Marlo Thomas

TAKE ACTION: Join Rotary, Get Involved

More than 80% of maternal deaths can be prevented with access to reproduction health service and trained health care workers. Rotary provides education, immunization, birthing kits and mobile health clinics to support these causes. Women are taught how to prevent mother-to-infant HIV transmissions, how to breast feed, and how to protect themselves and their children from disease.
