JANUARY IS

VOCATIONAL SERVICE MONTH

"Vocational service gives Rotarians the opportunity to help others escape poverty and gain a measure of self-respect. As business and professional leaders, we have a duty to lead and encourage good ethics through vocation."

Carlos Frum, PDG D6440

January is Vocational Service Month on the Rotary calendar. What exactly does that mean? Of Rotary's five Avenues of Service – Club, Youth, Vocational, Community, and International – vocational seems to be more difficult to define and is sometimes forgotten. But... it is actually the heart of how Rotary started and continues to link to our Four Way Test and forms part of the essence of what Rotary is! How so, you ask? Business and professional life are still core aspects of Rotary, and Vocational Service is a major force in promoting honour, integrity, and trustworthiness in business – and in all that we think and do (sound familiar?)
