

The Heart Lake Rotary Club

• **Heart Beat** March 3rd

ROTARIANS TAKE ACTION
TO IMPROVE LIVES

Rotary

Mountain State E-Club

MARCH IS

When people, especially children, have access to clean water, sanitation, and hygiene, they lead healthier and more successful lives.

There are 2.5 billion people in the world that lack access to improved sanitation and 748 million people that don't have clean drinking water. Nearly 1400 children die each day from diseases caused by the lack of sanitation and safe water.

The Heart Lake Rotary Club

• **Heart Beat** March 3rd
