REMEMBER OUR VETERANS

Rotary 
Brampton Heart Lake

• **Heart Beat** November 11th

During this week of Remembrance, please join me in a moment of reflection with these words:

With our friends beside us,
And no person beneath us,
With the bonds of Rotary Between us,
And our worries behind us,
With our goals before us,
And no task beyond us,

May we go forth with a thirst for knowledge in how to make a difference in our community, in our great Country and in our world,

May we also go forth to implement solutions in bridging the gap between non-aboriginal people and aboriginal people of the First Nations of our great country,

May we give thanks to those who have come home after fighting for our Country and our freedom, and to those who are still doing so on the world stage

May we give thanks to those who fought, risked all and made the ultimate sacrifice for our Country and our freedom, regardless of wherever or whenever that sacrifice occurred, be it in the air, on the seas or on the battlefields,

And finally, may we give thanks for our great nation Canada, Rotary International, our Rotary Districts, and to our individual Rotary Clubs whose members work hard to make all the above possible.
