## Community Service and Volunteerism Scholarship Award

### Selection Criteria

The Rotary Club of Brampton South is committed to providing the school with an annual financial contribution of \$ 1,000.00 to the student that meets the criteria's defined below.

The following selection criteria are some of the minimum factors that will be considered when the Rotary Club of Brampton South reviews applications from potential candidates for this award.

It should be noted that some of the criteria will be given more weight than others when selecting the final candidate.

- Community Service and Volunteerism:
  - All volunteering and Community Service performed by the candidate will be considered – including any involvement with Guides, Scouts, assisting with coaching a hockey, soccer, baseball team, leadership of any community clubs, involvement with Interact, assisting with Rotary-run community events, other community events that a student has assisted with, and recommendations that can be made by teachers or school staff.
- Financial Need:
  - The financial capabilities of the student/student's family to be able to attend post-secondary education. (Preference/consideration will be given to candidates that are not going to be receiving any other post-secondary awards)
- Post Secondary Education Enrolment:
  - The candidate must be attending an Ontario post-secondary education facility following graduation
- Academic Achievement:
  - Please show the overall general marks of the candidate.

**All interested candidates need to submit an application form that highlights how they have fulfilled each of the above four areas of requirements:**

1. List all Community Service performed.
2. Confirmation that candidate is not being considered for any other school awards
3. Confirmation of acceptance at a post-secondary school.
4. List Academic Performance of the applicant

**Please coordinate applications for consideration for this award through the school guidance department. For further information or inquiries, contact Bud Sukhu at (416) 573-2000 or by email at [bud.sukhu@future2000.net](mailto:bud.sukhu@future2000.net)**
