Dear Golfers,

Thank you for your support of the Partnership Charity Golf Tournament 2017. The Children's Aid Foundation of Halton (CAFH) is so excited to have been selected as a recipient charity of this terrific community event.

CAFH funds life-changing programs for children and youth who are receiving services from the Halton Children's Aid Society. These young people have experienced abuse, neglect or family trauma and are dealing with emotional challenges that no child should have to face. Your support not only ensures the continuation of programs that bring healing and instill confidence, it brings hope to children and youth for a bright and happy future – a true gift.

We are very grateful to the Rotary Club of Burlington Central for hosting an event that has supported many key organizations in this community; and we are thrilled to receive this chance to participate. On behalf of the CAFH and the children, youth and families we serve thank you for your participation and for your support and generosity.

Sincerely,
Tina Blatchford, Executive Director

Carpenter Hospice – Making Moments Matter

Carpenter Hospice is a home in the heart of Burlington that offers both residential-based care to people in the last stages of their lives, and community-based programs for people dealing with grief or a life-limiting illness. It lets residents spend their final days together with loved ones in an environment that is peaceful, comfortable and meaningful. Since opening our doors in 2002, more than 2,000 people have come to live with us. The hospice is staffed by a dedicated team of professionals and more than 200 volunteers who provide compassionate palliative care to meet residents' every need and ensure that each moment matters. Funds raised in support of Carpenter Hospice help to ensure that we have the capacity to offer our programs and services at no cost to residents, families and program participants.

We are truly grateful for the generous support we receive from the Burlington community. On behalf of the Board of Directors, staff and volunteers, thank you for selecting Carpenter Hospice as a recipient of this year's Partnership Charity Golf Tournament.

Sincerely,
Karen Candy, Executive Director
