Lakeside

CELEBRATING
25
Years!

À LA CARTE

In the past, more than forty five restaurants, wineries and breweries brought out their best temptations. White, marquee style tents, the shimmering backdrop of the lake, easy listening live entertainment, silent auction, wine and more...it's Burlington's ultimate summer garden party!

The members of the Rotary Club of Burlington Central have operated the Lakeside a la Carte fundraising since 1999 and raised over a million dollars for local charities and child centered programs.

LAKESIDE UNDER THE STARS

Experience the enchantment of Lakeside Under the Stars. With the lake aglow with reflections, every moment becomes unforgettable. Immerse yourself in the ambiance, surrounded by nature's serenity and the warmth of community. Lakeside Under the Stars promises an extraordinary blend of live music and delicious cuisine for a memorable night to cherish.

ABOUT OUR CHARITY FOR 2024

Since inception in 1995, Food for Life has rescued over 26 million pounds of food by collecting surplus perishable food (fruit and vegetables, dairy, meat and prepared foods) from both retail and wholesale food suppliers and grocery stores. They are the largest food rescue organization in Halton and Hamilton.

Food for Life holds a unique niche among Canadian food relief charities focusing on redistributing fresh, nutritious food. Clients say that they are often not able to afford fresh food and that having access to this healthy food allows them to focus on obtaining other life essentials as they work towards no longer relying on their services.

Rescuing Food. Impacting Lives.

\$10 = \$62.50 worth of food and groceries.
Supporting 3200+ households each week.
