

Burlington Club of Rotary Central

Charity Golf Day

The Burlington Club of Rotary Central holds the second Charity Golf Day in support of local charities. The Covid-19 pandemic has once again prevented our club from operating our annual fund raising events and proceeds from this event will be used to provide support for agencies assisting families in the Halton region.

This one day golf outing will bring club members and past participants in our Partnership Golf Tournament together for a day of golf, Friendship and community spirit.
