Dear Friend of Rotary,

For over 26 years, Bereaved Families of Ontario – South Central Region (BFO-SCR) has offered a safe harbour for grieving children, teens and parents. With the support of our caring community, we provide – at no charge - support groups, one-to-one support, and a summer camp experience for families struggling to cope with the death of a loved one.

We support some of the most vulnerable people in our community with professionally supervised programs – again, at no cost. Money always has been, and it still remains, our most important challenge. All monies raised through this tournament will go directly to programming.

We are truly honoured to be selected as the recipient charity for this year’s Partnership Charity Golf Tournament organized by the Rotary Club of Burlington Central and we look forward to personally thanking each golfer and sponsor at the tournament!

Warmest regards,

Jim Matz
Chair
