

## Calling All Rotarians:

Here is your opportunity to use your vocational skills to share your experience with young people in our community.

The **Career Education Council Mentorship Breakfast** will be held on **Friday May 26<sup>th</sup>** at the Italian Canadian Club. Arrival is 7:00 am (well it IS breakfast, with the breakfast served at 7:30). Attendees will be seated according to career interests and experiences. There will be activities to facilitate networking and mentorship scenarios. The program is expected to end at 10:30am.

The theme is “Honouring our Roots & Shaping Our Future” – a nod to our club and its connection with the founding of our local CEC.

There is no cost for Rotarian mentors as our Vocational Service Avenue has supported this event. 12 Rotarians have already signed up, so **let us know by April 28** if you would like to join in this exciting mentorship breakfast.
